AR15/M16 .22 LR Magazine Loader Safety Instruction Guide

Introduction

Thank you for choosing the AR15/M16 .22 LR Magazine Loader. This loader is designed for easy and efficient loading of your Brownells/Black Dog .22 LR AR15 conversion magazines. To ensure your safety and the longevity of your product, please read this guide carefully before use.

General Safety Guidelines

- Always use the magazine loader according to the instructions provided in this guide.
- Inspect the loader before each use for any signs of damage or wear. Do not use if damaged.
- Keep the loader out of reach of children and vulnerable individuals.
- Do not modify the loader in any way.
- Only use the loader for its intended purpose: loading .22 LR AR15 conversion magazines.
- Store the loader in a cool, dry place away from direct sunlight and extreme temperatures.

Specific Safety Precautions for Use

- Ensure that the magazine is empty before using the loader.
- Always point the magazine in a safe direction when loading.
- Use caution when handling ammunition to avoid accidental discharge.
- Avoid placing fingers near the loading mechanism while in use to prevent injury.
- Do not overload the magazine beyond its intended capacity.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean workspace.
- Gather your .22 LR AR15 conversion magazine, ammunition, and the magazine loader.

2. Loading Process:

- Slide the loader over the magazine.
- Push down on the loader to create space in the magazine.
- Insert one round of ammunition into the magazine.
- Release the loader and repeat the process until the magazine is full.

3. PostLoading:

- Once the magazine is full, carefully remove the loader.
- Store the magazine in a safe location until ready for use.

Disposal Instructions

- Dispose of the magazine loader in accordance with local regulations regarding plastic products.
- Do not incinerate the loader, as it may release harmful substances.
- If the loader is damaged and cannot be reused, contact your local waste management authority for proper disposal methods.
