

MOE MVG VERTICAL GRIP - MAGPUL MOE MVG VERTICAL GRIP POLYMER BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

For Positive, Comfortable Weapon Control At All Times

Lightweight vertical grips position your support hand close to the barrel to help you maintain maximum weapon control at all times. Ergonomically shaped design is optimized for use with the “thumb break” method of grasping the weapon, yet works just as well with a traditional vertical grip stance. Aggressive horizontal serrations on the front and back, plus crackle texturing on the sides ensure a secure grasp in all weather conditions. MVG™ (MOE® Vertical Grip) is designed to clamp easily to Magpul MOE handguards and the handguard of the Bushmaster ACR™ (Adaptive Combat Rifle) without the need for an accessory rail.

Attributes

- Name: [MAGPUL MOE MVG VERTICAL GRIP POLYMER BLACK](#)
- Manufacturer: [MAGPUL](#)

MOE MVG Vertical Grip Safety Instruction Guide

Introduction

Thank you for purchasing the MOE MVG Vertical Grip by Magpul. This guide provides important safety instructions, installation tips, and usage guidelines to ensure the safe and effective operation of your vertical grip. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the vertical grip.
- Inspect the vertical grip for any signs of damage before each use.
- Use the vertical grip only with compatible firearms as specified by the manufacturer.
- Keep the vertical grip and your firearm out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- **Proper Grip:** Use the grip as intended, ensuring your hand is positioned securely to maintain control.
- **Weather Conditions:** The grip is designed for all weather conditions; however, be cautious in extreme weather that may affect grip stability.
- **Avoid Excessive Force:** Do not apply excessive force when gripping the vertical grip, as this may lead to loss of control.
- **Training:** Familiarize yourself with the operation of your firearm and the vertical grip through proper training and practice.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools if required for installation.

2. Attachment:

- Align the vertical grip with the mounting point on the Magpul MOE handguard or the Bushmaster ACR handguard.
- Securely clamp the vertical grip in place according to the manufacturer's instructions.
- Ensure that the grip is firmly attached and does not move when pulled.

Usage

- **Grip Positioning:** Position your support hand close to the barrel for optimal control.
- **Thumb Break Method:** Use the "thumb break" method for a secure hold, or adopt a traditional vertical grip stance if preferred.
- **Maintain Control:** Always maintain a firm grip while using the firearm to ensure maximum control during operation.

Disposal Instructions

- Dispose of the vertical grip in accordance with local regulations.
- Do not dispose of the grip in regular household waste if it contains hazardous materials.

- Consider recycling options if available in your area.

Contact Information for Further Support

For inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with the product packaging or visit the official website for assistance.

Thank you for choosing the MOE MVG Vertical Grip. Your safety is our priority, and we hope you enjoy using your product responsibly.
