

MOE MVG VERTICAL GRIP - MAGPUL MOE MVG VERTICAL GRIP POLYMER DARK EARTH

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

For Positive, Comfortable Weapon Control At All Times

Lightweight vertical grips position your support hand close to the barrel to help you maintain maximum weapon control at all times. Ergonomically shaped design is optimized for use with the “thumb break” method of grasping the weapon, yet works just as well with a traditional vertical grip stance. Aggressive horizontal serrations on the front and back, plus crackle texturing on the sides ensure a secure grasp in all weather conditions. MVG™ (MOE® Vertical Grip) is designed to clamp easily to Magpul MOE handguards and the handguard of the Bushmaster ACR™ (Adaptive Combat Rifle) without the need for an accessory rail.

Attributes

- Name: [MAGPUL MOE MVG VERTICAL GRIP POLYMER DARK EARTH](#)

MOE MVG Vertical Grip Safety Instruction Guide

Introduction

Thank you for choosing the MOE MVG Vertical Grip by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your vertical grip. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the vertical grip is compatible with your firearm before installation.
- Always handle firearms with care and follow all safety protocols during use.
- Keep the vertical grip and firearm secure when not in use to prevent unauthorized access.
- Regularly inspect the vertical grip for any signs of wear or damage before each use.
- Be aware of your surroundings and ensure a safe environment when handling your firearm.

Specific Safety Precautions for Use

- Do not use the vertical grip if it is damaged or shows signs of excessive wear.
- Ensure that the grip is securely attached to the firearm before use.
- Avoid placing your fingers on the trigger until you are ready to shoot.
- Use the vertical grip in accordance with the “thumb break” method for optimal control.
- Maintain proper shooting stance and grip to avoid potential accidents.
- Keep the vertical grip clean and free from debris to ensure optimal performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the MVG Vertical Grip with the mounting location on your MOE handguard or Bushmaster ACR handguard.
- Firmly clamp the grip in place according to the manufacturer’s instructions.
- Doublecheck that the grip is securely attached before using the firearm.

2. Usage:

- Position your support hand close to the barrel for better control.
- Utilize the ergonomic design of the grip for a comfortable hold.
- Practice using the grip in a safe environment to become familiar with its handling.
- Always maintain a firm grip, especially in adverse weather conditions.

Disposal Instructions

- Dispose of the vertical grip in accordance with local regulations for plastic waste.
- Do not incinerate the grip, as it may release harmful substances.
- If the grip is no longer usable, consider recycling it if facilities are available in your area.

Contact Information for Further Support

For any questions or concerns regarding the MOE MVG Vertical Grip, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure the safe and effective use of your MOE MVG Vertical Grip. Always

prioritize safety and responsible firearm handling.
