

# PICATINNY RVG RAILED VERTICAL GRIP - MAGPUL RVG RAILED VERTICAL GRIP PICATINNY POLYMER BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

Lightweight vertical grips position your support hand close to the barrel to help you maintain maximum weapon control at all times. Ergonomically shaped design is optimized for use with the "thumb break" method of grasping the weapon, yet works just as well with a traditional vertical grip stance. Aggressive horizontal serrations on the front and back, plus crackle texturing on the sides ensure a secure grasp in all weather conditions. RVG™ (Rail Vertical Grip) combines the MVG's ergonomic features with a conventional Picatinny attachment system for use on standard railed handguards. Includes an adapter that enables installation on many non-railed forends, too.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the weapon is unloaded and pointed in a safe direction.
- Locate the Picatinny rail on your weapon.
- Align the RVG grip with the rail, ensuring it is positioned correctly.
- Use the provided mounting hardware to secure the grip to the rail. Tighten until firmly secured, but do not overtighten.
- If applicable, use the included adapter for installation on nonrailed forends.

### 2. Usage:

- Position your support hand on the grip, utilizing the ergonomic design for optimal control.
- Practice the "thumb break" method of grasping the weapon to enhance stability.
- Regularly check the grip for any signs of wear or damage before use.
- If you experience any discomfort or instability while using the grip, stop using the product immediately and consult a professional.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for plastic materials.
- Do not burn the grip or its components, as this may release harmful chemicals.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent injury to others.
