

PICATINNY RVG RAILED VERTICAL GRIP - MAGPUL RVG RAILED VERTICAL GRIP PICATINNY POLYMER FDE

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

Lightweight vertical grips position your support hand close to the barrel to help you maintain maximum weapon control at all times. Ergonomically shaped design is optimized for use with the “thumb break” method of grasping the weapon, yet works just as well with a traditional vertical grip stance. Aggressive horizontal serrations on the front and back, plus crackle texturing on the sides ensure a secure grasp in all weather conditions. RVG™ (Rail Vertical Grip) combines the MVG’s ergonomic features with a conventional Picatinny attachment system for use on standard railed handguards. Includes an adapter that enables installation on many non-railed forends, too.

Attributes

- Name: [MAGPUL RVG RAILED VERTICAL GRIP PICATINNY POLYMER FDE](#)

PICATINNY RVG RAILED VERTICAL GRIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Magpul Picatinny RVG Railed Vertical Grip. This guide provides essential safety instructions and information to ensure the safe and effective use of your vertical grip. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the vertical grip.
- Inspect the vertical grip regularly for any signs of wear or damage.
- Do not use the vertical grip if it is damaged or if any mounting hardware is missing.
- Keep the vertical grip out of reach of children and unauthorized users.
- Use the vertical grip only with compatible firearms, specifically designed for the AR15 platform.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure a firm grip on the vertical grip while handling the firearm to maintain control.
- Avoid using excessive force when gripping to prevent slippage or loss of control.
- Be mindful of your surroundings when using the firearm to prevent accidental discharge.
- Use the vertical grip in accordance with the “thumb break” method for optimal control.
- When using the grip in adverse weather conditions, ensure your hands are dry to maintain a secure grasp.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded.
- Locate the Picatinny rail on your firearm.
- Align the RVG vertical grip with the desired position on the rail.
- Secure the grip using the provided mounting hardware, ensuring it is tightly fastened.
- If necessary, use the included adapter for nonrailed forends, following the adapter installation instructions.

2. Usage:

- Position your support hand on the vertical grip, keeping your fingers away from the trigger.
- Utilize the grip to stabilize the firearm during aiming and shooting.
- Adjust your grip as necessary for comfort and control while maintaining safety practices.

Disposal Instructions

- Dispose of the vertical grip in accordance with local regulations regarding plastic waste.
- Do not incinerate the grip as it may release harmful substances.
- Recycle the grip if possible, or dispose of it in a landfill designated for nonhazardous materials.

Contact Information for Further Support

For questions regarding safety, installation, or product performance, please refer to the manufacturer's website or customer service resources. Ensure you have your product details available for faster assistance.

By following these safety instructions, you can enjoy the benefits of your Magpul Picatinny RVG Railed Vertical Grip while maintaining a safe environment for yourself and others. Always prioritize safety and responsible firearm use.
