# PRS2 Extended Buttpad Safety Instruction Guide

## Introduction

Thank you for purchasing the PRS2 Extended Buttpad by Magpul. This product is designed to enhance your shooting experience by providing additional length of pull and reducing felt recoil. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the buttpad.
- Use the buttpad only with compatible stocks, specifically FAL and HK/G3 style stocks. Do not use it with AR15 or AR 308 PRS early stocks.
- Regularly inspect the buttpad for wear and tear. Replace it if any damage is found.
- Keep the buttpad out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the buttpad is securely attached to the stock before use to avoid accidents.
- Be cautious of the additional length when shouldering the firearm, especially in confined spaces.
- The rubber material may become slippery when wet. Avoid using the firearm in wet conditions without appropriate precautions.
- Always follow local laws and regulations regarding firearm use and modifications.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a screwdriver compatible with the original pad's mounting screws.
- Remove the existing buttpad from the stock by unscrewing the mounting screws.
- Align the PRS2 Extended Buttpad with the stock.
- Reuse the original mounting screws to secure the new buttpad in place.
- Ensure that the buttpad is firmly attached and does not move.

### 2. Usage:

- When shouldering the firearm, ensure a firm grip on the stock with the buttpad in place.
- Practice proper shooting stance to maximize the benefits of the extended buttpad.
- After use, clean the rubber surface to maintain grip and prevent degradation.

## Disposal Instructions

- Dispose of the PRS2 Extended Buttpad in accordance with local regulations for rubber products.
- Do not dispose of the buttpad in fire, as it may release harmful fumes.
