

# GT™ HAMMER EXTENSIONS - EXTENSION FITS MARLIN LEVER, 1957-1982

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Hardware](#)

## For Easier Access & Faster Cocking

Clamp-on steel extension adds a serrated lever to the side of the hammer spur to give your thumb a large, easy-to-find horizontal grasping surface. A must-have if using a low-mounted scope, heavy gloves, or you just want a hammer that's easy to grasp under stress or in wet weather. Hollow design keeps weight to a minimum, so hammer speed and locktime are unaffected. Holds tight on left or right side of hammer with steel Allen head screw.

## Attributes

- Name: [EXTENSION FITS MARLIN LEVER, 1957-1982](#)
- Manufacturer: [GROVTEC US](#)
- Product no.: 100005617

# GT™ Hammer Extensions Safety Instruction Guide

## Introduction

Thank you for choosing the GT™ Hammer Extensions designed for Marlin Lever rifles manufactured between 1957 and 1982. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the GT™ Hammer Extensions by following these guidelines:
- Always handle firearms with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the hammer extension for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installing or using the hammer extension, ensure the firearm is unloaded.
- Avoid using the hammer extension in wet or slippery conditions unless necessary.
- Do not force the hammer extension onto the hammer spur; it should fit securely without excessive pressure.
- If you experience difficulty in using the hammer extension, stop using it immediately and consult a qualified gunsmith.
- Always wear appropriate safety gear, such as gloves and eye protection, when handling firearms.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is completely unloaded and pointed in a safe direction.
2. Locate the hammer spur on your Marlin Lever rifle.
3. Align the GT™ Hammer Extension with the hammer spur, ensuring it fits properly.
4. Secure the extension using the provided steel Allen head screw. Tighten the screw until the extension is firmly in place, but avoid overtightening.
5. Confirm that the extension is tight and does not move when pulled.

### Usage

- When using the hammer extension, ensure your thumb is placed on the serrated lever for a secure grip.
- Practice using the hammer extension in a safe environment to become familiar with its operation.
- If using a lowmounted scope or heavy gloves, ensure that the extension provides adequate clearance and accessibility.

## Disposal Instructions

- Dispose of the GT™ Hammer Extension responsibly.
- If the product is damaged or no longer needed, follow local regulations for the disposal of metal products.
- Do not dispose of the extension in regular household waste.

## Contact Information for Further Support

For any inquiries or concerns regarding the GT™ Hammer Extensions, please reach out to your local distributor

or consult a qualified gunsmith. Your safety is our priority, and we are here to help you with any questions you may have.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the GT™ Hammer Extensions!
