

GT™ HAMMER EXTENSIONS - GROVTEC US EXTENSION FITS RUGER® BLACKHAWK®, H&R TOPPER®, H&R/NEF HANDI

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Hardware](#)

For Easier Access & Faster Cocking

Clamp-on steel extension adds a serrated lever to the side of the hammer spur to give your thumb a large, easy-to-find horizontal grasping surface. A must-have if using a low-mounted scope, heavy gloves, or you just want a hammer that's easy to grasp under stress or in wet weather. Hollow design keeps weight to a minimum, so hammer speed and locktime are unaffected. Holds tight on left or right side of hammer with steel Allen head screw.

GTHM-72 fits Ruger Blackhawk, H&R Topper, H&R/NEF Handi

GT™ Hammer Extensions Consumer Safety Instruction Guide

Introduction

Thank you for purchasing the GT™ Hammer Extensions designed for Ruger® Blackhawk®, H&R Topper®, and H&R/NEF Handi. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the GT™ Hammer Extension is compatible with your firearm model before use.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Regularly inspect the hammer extension for any signs of wear or damage before each use.
- Store the hammer extension in a secure location when not in use.
- In case of any malfunction or unexpected behavior, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the hammer extension.
- Use only the specified models with this hammer extension: Ruger® Blackhawk®, H&R Topper®, and H&R/NEF Handi.
- Avoid using the hammer extension in adverse weather conditions, as moisture can affect its performance.
- Do not modify or alter the hammer extension in any way, as this can compromise safety and performance.
- Be aware of your surroundings and ensure a safe environment when using firearms equipped with the hammer extension.
- If you are inexperienced or unsure about using this product, seek guidance from an experienced user or professional.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Confirm that the firearm is completely unloaded.
2. **Remove Existing Hammer:** If applicable, carefully remove the existing hammer from your firearm according to the manufacturer's instructions.
3. **Attach GT™ Hammer Extension:** Align the hammer extension with the hammer mounting area and secure it in place. Ensure it fits snugly and is properly aligned.
4. **Check Functionality:** After installation, cycle the action of the firearm to ensure that the hammer extension operates smoothly without obstruction.
5. **Final Inspection:** Conduct a visual inspection to confirm that the installation is secure and that there are no loose parts.

Usage Instructions

- Always follow the manufacturer's guidelines for your firearm when using the hammer extension.
- Practice safe handling techniques at all times.
- Regularly check the hammer extension for proper function and secure attachment during use.
- If any issues arise during use, stop immediately and seek assistance.

Disposal Instructions

- Dispose of the GT™ Hammer Extension in accordance with local regulations regarding metal products.
- If the extension is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the GT™ Hammer Extensions, please reach out to the designated EUbased contact point provided with your product documentation. Ensure you have your product details and any relevant information handy when seeking support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your GT™ Hammer Extensions. Always prioritize safety and compliance with local regulations. Thank you for choosing our product.
