

# GT™ HAMMER EXTENSIONS - EXTENSION FITS MARLIN LEVER 1983 & LATER\*\*

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Hardware](#)

## For Easier Access & Faster Cocking

Clamp-on steel extension adds a serrated lever to the side of the hammer spur to give your thumb a large, easy-to-find horizontal grasping surface. A must-have if using a low-mounted scope, heavy gloves, or you just want a hammer that's easy to grasp under stress or in wet weather. Hollow design keeps weight to a minimum, so hammer speed and locktime are unaffected. Holds tight on left or right side of hammer with steel Allen head screw.

## Attributes

- Name: [EXTENSION FITS MARLIN LEVER 1983 & LATER\\*\\*](#)
- Manufacturer: [GROVTEC US, INC.](#)
- Product no.: 100005621

# GT™ Hammer Extensions Safety Instruction Guide

## Introduction

Thank you for choosing the GT™ Hammer Extensions designed for Marlin Lever firearms manufactured from 1983 and later. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe operation and maintenance of the product.

## General Safety Guidelines

- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installing or handling the hammer extension.
- Store the hammer extension in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the hammer extension for signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the hammer extension only with compatible Marlin Lever models as specified in the product description.
- Ensure that the extension is securely attached to the hammer before use to prevent accidents.
- Avoid using the hammer extension in wet conditions or when wearing heavy gloves, as this may affect grip and control.
- Do not modify or alter the hammer extension in any way, as this may compromise safety and performance.
- If you experience difficulty operating the hammer with the extension, discontinue use and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Positioning:** Identify the left or right side of the hammer where you want to attach the extension.
3. **Attachment:**
  - Align the clampon extension with the hammer spur.
  - Securely tighten the steel Allen head screw to hold the extension in place.
4. **Check Security:** After installation, gently tug on the extension to ensure it is firmly attached.

### Usage

- Grip the serrated lever of the hammer extension with your thumb to operate the hammer.
- Practice using the hammer extension in a controlled environment to become familiar with its operation.
- Always maintain proper firearm handling practices while using the extension.

## Disposal Instructions

- Dispose of the hammer extension in accordance with local regulations.
- If the extension is damaged beyond repair, ensure it is disposed of in a manner that prevents accidental use.

## Contact Information for Further Support

For any inquiries or concerns regarding the GT™ Hammer Extensions, please contact the manufacturer or a

qualified dealer for assistance.

By following these guidelines, you can ensure safe and effective use of the GT™ Hammer Extensions with your Marlin Lever firearm. Thank you for prioritizing safety and responsible firearm handling.
