

# GT™ HAMMER EXTENSIONS - EXTENSION FITS THOMPSON CENTER CONTENDER, S&W 29

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Hardware](#)

## For Easier Access & Faster Cocking

Clamp-on steel extension adds a serrated lever to the side of the hammer spur to give your thumb a large, easy-to-find horizontal grasping surface. A must-have if using a low-mounted scope, heavy gloves, or you just want a hammer that's easy to grasp under stress or in wet weather. Hollow design keeps weight to a minimum, so hammer speed and locktime are unaffected. Holds tight on left or right side of hammer with steel Allen head screw.

## Attributes

- Name: [EXTENSION FITS THOMPSON CENTER CONTENDER, S&W 29](#)
- Manufacturer: [GROVTEC US](#)
- Product no.: 100005622
- Mfr. No.: GTHM79

# GT™ HAMMER EXTENSIONS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the GT™ Hammer Extensions designed to fit Thompson Center Contender and S&W 29. This guide provides essential safety instructions, installation steps, and usage guidelines to ensure your safety and satisfaction while using this product. Please read this manual thoroughly before use.

## General Safety Guidelines

- Ensure the product is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Inspect the hammer extension regularly for wear or damage.
- Keep the hammer extension out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the hammer extension only as intended.
- Avoid using the hammer extension if it shows signs of damage or wear.
- Do not modify the hammer extension in any way.
- Wear appropriate safety gear, such as gloves, when handling firearms.
- Ensure that your firearm is unloaded before installation or adjustment of the hammer extension.
- Be cautious when using the hammer extension in wet conditions to maintain a secure grip.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure your firearm is unloaded and safe.
- Locate the hammer spur on your firearm.
- Align the clamped steel extension with the hammer spur.
- Securely fasten the extension using the provided steel Allen head screw.
- Check that the extension is firmly attached and does not wobble.

### 2. Usage Guidelines:

- Use your thumb to grip the serrated lever on the side of the hammer spur.
- Practice using the hammer extension to become familiar with its operation.
- Be mindful of your grip, especially in stressful or wet conditions.

## Disposal Instructions

- Dispose of the GT™ Hammer Extension responsibly, following local regulations.
- If the product is damaged or no longer needed, consider recycling materials where possible.

## Contact Information for Further Support

For any questions or concerns regarding the GT™ Hammer Extensions, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
