# **Safety Instruction Guide for NYLON WEB SLINGS GROVTEC US GTSL40**

## **Introduction**

Thank you for choosing the NYLON WEB SLINGS GROVTEC US GTSL40. This utility sling is designed for safe and effective use with firearms featuring 1 inch loops. Please read this safety instruction guide carefully to ensure proper use and compliance with safety standards.

## **General Safety Guidelines**

- Ensure that the sling is used only with firearms that have compatible 1 inch loops.
- Inspect the sling before each use for any signs of wear or damage.
- Store the sling in a cool, dry place away from direct sunlight to prevent deterioration.
- Keep the sling out of reach of children and unauthorized users.
- Report any incidents or unsafe conditions to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Do not exceed the recommended load capacity of the sling.
- Avoid using the sling for any purpose other than its intended use with firearms.
- Ensure that the sling is properly adjusted before use to avoid slippage or accidents.
- Do not modify the sling in any way; alterations can compromise safety.
- Always be aware of your surroundings and ensure a clear line of sight when using the sling.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Locate the 1 inch loops on your firearm.
- Attach the sling by threading the loops through the sling's attachment points.
- Adjust the sling length as necessary to ensure a secure fit.

### **2. Usage:**

- When using the sling, ensure it is properly secured and adjusted to your body.
- Maintain a firm grip on the firearm at all times.
- Practice using the sling in a safe environment before engaging in any activities.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the sling in regular household waste if it is still usable; consider donating it to a local organization.
