

MULTI-ADAPTER STUDS - GROVTEC US MULTI-ADAPTER STUDS

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Sling Swivel Studs](#)

Stainless steel construction Black oxide finish Allen wrench included 2 adaptors included Includes 2 bases Easy installation Fits all standard push button swivel bases Manufactured in the United States The Grove Tec Multi-Adaptor Studs are perfect for the demanding operator needing more than a sling swivel. This multi-adaptor stud is designed for easy installation to give the operator options for bipod, accessories, or sling mounting. The kit includes an Allen wrench and two adaptor studs that snap into the two stainless steel bases for a standard stud function. The adaptor studs are manufactured out of steel and will fit all standard push button swivel bases accepting all swivel types, bipod, and accessories mounts. The bases are made out of stainless steel for years of heavy-duty function. Both the adaptor studs and bases are black oxide finished for rust prevention and to match the furniture of your tactical rifle.

MULTIADAPTER STUDS Safety Instruction Guide

Introduction

Thank you for choosing the MULTIADAPTER STUDS by GROVTEC US. This product is designed to enhance your tactical rifle's versatility by allowing for easy attachment of bipods, accessories, or slings. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure safe use of the MULTIADAPTER STUDS by following all instructions.
- Always inspect the product before each use to ensure it is in good condition.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the MULTIADAPTER STUDS as intended and according to the instructions provided.
- Do not overload the adaptor studs beyond their designed capacity.
- Ensure that all connections are secure before use to prevent accidental detachment.
- Avoid using the product in extreme conditions that may compromise its integrity.
- Regularly check for signs of wear or damage, and replace any damaged components immediately.

Instructions for Installation and Usage

1. Installation

- Gather all components: 2 adaptor studs, 2 stainless steel bases, and the included Allen wrench.
- Choose the desired location on your tactical rifle for installation.
- Use the Allen wrench to securely attach the stainless steel bases to the rifle.
- Insert the adaptor studs into the bases until they snap into place.

2. Usage

- Ensure that the adaptor studs are properly seated in the bases before attaching any accessories.
- Attach your chosen bipod, accessory, or sling to the adaptor studs.
- Before each use, doublecheck that all attachments are secure and functioning correctly.

Disposal Instructions

- Dispose of the MULTIADAPTER STUDS responsibly and in accordance with your local regulations.
- If the product is damaged or no longer needed, consider recycling the metal components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided with your product or visit the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your MULTIADAPTER STUDS. Thank you for your attention to safety.
