[Shooting Accessories](#) > [Range Gear](#) > [Shooting Mats/Stools](#)

## Folds For Easy Carry; On-Board Storage For Ammo & Accessories

Portable shooting mat has thick, closed-cell foam padding for hours of shooting comfort on rough, cold, or wet terrain. Tough, tightly woven 1,000 denier nylon exterior blocks out moisture and washes up easily after a day at the range, in competition, or in the field. Rubberized coating at the front provides a non-slip surface for bipod placement to ensure fast follow-up shots. Front pocket has ammo loops to store up to 20 individual centerfire rifle shells; overlapping cover with polymer quick-detach buckles allows fast access. A second, zippered pocket holds additional accessories. The entire mat folds up tight, secured by three, adjustable wrap-around straps of 2" wide webbing with polymer quick-release buckles. Two carry options: double-stitched suitcase handle or padded, adjustable shoulder strap with quick-release snap-clips that attach to steel D-rings double stitched to the mat.

# FOLDING SHOOTING MAT Safety Instructions

## Introduction

Thank you for choosing the FOLDING SHOOTING MAT by US PEACEKEEPER PRODUCTS. This safety instruction guide is designed to help you use this product safely and effectively. Please read through this guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Ensure that the shooting mat is used only for its intended purpose: as a shooting mat for firearms.
- Always inspect the mat before each use for any signs of damage or wear. Do not use if damaged.
- Keep the mat away from children and unauthorized users.
- Avoid using the mat in extreme weather conditions that may affect its performance or your safety.
- Be aware of your surroundings when using this mat, especially in outdoor environments.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the shooting area is clear of people and obstacles before setting up the mat.
- Use the nonslip surface provided by the rubberized coating for stable bipod placement.
- Store ammunition securely in the front pocket, ensuring it is not accessible to children or unauthorized individuals.
- When folding or unfolding the mat, be cautious of pinch points created by the straps and buckles.
- Do not overload the pockets with excessive weight, as this may affect the stability of the mat.
- Always follow local laws and regulations regarding the use of firearms and shooting practices.

## Instructions for Installation and Usage

### 1. Unfolding the Mat

- Lay the mat flat on a stable surface.
- Unbuckle the adjustable wraparound straps and unfold the mat fully.

### 2. Setting Up for Use

- Position the mat in your desired location, ensuring it is stable and free from debris.
- If using a bipod, place it on the rubberized surface for optimal grip.

### 3. Storing Ammunition

- Place up to 20 individual centerfire rifle shells in the ammo loops located in the front pocket.
- Ensure the overlapping cover is secured with the polymer quickdetach buckles for easy access.

### 4. Using the Carry Options

- To carry the mat, use the doublestitched suitcase handle or the padded shoulder strap.
- Attach the strap to the steel Drings for secure carrying.

### 5. Folding the Mat

- After use, remove all items from the pockets and ensure the mat is clean and dry.
- Fold the mat tightly, ensuring all components are secured.
- Use the three adjustable wraparound straps to secure the folded mat for transport.

## **Disposal Instructions**

- Dispose of the FOLDING SHOOTING MAT in accordance with local regulations.
- If the mat is damaged beyond repair, consider recycling materials where possible.
- Do not incinerate or dispose of the mat in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the FOLDING SHOOTING MAT, please refer to the manufacturer's contact details provided with the product packaging.
