

# AR-15/M16/ 308 AR WINTER TRIGGERGUARD - PHASE 5 TACTICAL WINTER TRIGGERGUARD

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

## Provides Extra Clearance For Gloved Fingers & Gives Rifle A Truly Unique Look

Uniquely shaped, machined aluminum triggerguard provides plenty of clearance to let you operate your rifle with gloves on during cold weather. Drop-in replacement for the factory has an usual "bat wing" shape that helps your rifle stand out visually from the rest of the pack. Larger opening makes this an excellent companion modification for use with the Phase 5 EBRv1 and EBRv2 extended bolt releases. Also fits the DPMS LR-308 and similar AR-style .308 rifles that use an AR-15 type triggerguard.

## Attributes

- Name: [PHASE 5 TACTICAL WINTER TRIGGERGUARD](#)
- Manufacturer: [PHASE 5 TACTICAL](#)

# AR15/M16/308 AR Winter Triggerguard Safety Instructions

## Introduction

Thank you for choosing the AR15/M16/308 AR Winter Triggerguard from Phase 5 Tactical. This product is designed to enhance your shooting experience, especially in cold weather conditions. It is crucial to follow the safety guidelines outlined in this document to ensure safe and effective use of the triggerguard.

## General Safety Guidelines

- Always treat your firearm with respect and follow safe handling practices.
- Ensure that the triggerguard is compatible with your specific firearm model.
- Regularly inspect the triggerguard for any signs of wear or damage.
- Use the triggerguard only in accordance with the manufacturer's instructions.
- Keep firearms and accessories out of reach of children and unauthorized users.
- Report any accidents or unsafe products to the relevant authorities.
- Check for product recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and free from any substances that could affect grip when using the rifle.
- Always wear appropriate protective gear, including gloves, when operating the rifle in cold weather.
- Do not attempt to modify the triggerguard beyond the manufacturer's specifications.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Store the triggerguard and firearm in a secure location when not in use.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Factory Triggerguard:**
  - Use a punch tool to remove the factory roll pin.
  - Carefully take off the factory triggerguard.
3. **Install the Phase 5 Triggerguard:**
  - Align the new triggerguard with the lower receiver.
  - Insert the provided roll pin and screw to secure the triggerguard in place.
  - Ensure the triggerguard is firmly attached and does not move.
4. **Final Inspection:** Check that the triggerguard is securely installed and free from obstructions.

### Usage

- The triggerguard is designed to provide extra space for gloved hands. Ensure that gloves fit properly to maintain control of the firearm.
- When operating the rifle, maintain a firm grip on the firearm and be aware of the trigger's position.
- Regularly check the functionality of the triggerguard during use, especially in extreme weather conditions.

## Disposal Instructions

- Dispose of the triggerguard in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is safely discarded to prevent any potential

hazards.

## **Contact Information for Further Support**

For any inquiries regarding product safety or usage, please refer to the manufacturer's website or customer service for assistance. Always ensure you have the latest information regarding your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15/M16/308 AR Winter Triggerguard. Thank you for your attention to these important safety guidelines.
