

# RECON QUICK DETACH SCOPE MOUNTS - 1" 0 MOA 2" CANTILEVER MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## Rock-Solid Mounts With Quick-Detach System

The RECON mount is ideal for putting optics onto a flattop style AR-15. The cantilver throws the scope out front, allowing for proper eye relief. Machined from 6061 T6 Aluminum and finished in hard coat T3 Mil-Spec anodize.

Features ADM's patented QD Auto Lock System to accommodate both in spec and out of spec rail systems.

# RECON QUICK DETACH SCOPE MOUNTS 1" 0 MOA 2" CANTILEVER MOUNT, BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the RECON Quick Detach Scope Mount. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read all instructions carefully before installation and use.

## General Safety Guidelines

To ensure your safety and the proper functioning of the RECON Quick Detach Scope Mount, please follow these guidelines:

- Ensure that the mount is compatible with your optic and firearm.
- Inspect the mount regularly for signs of wear or damage.
- Only use the mount in accordance with the manufacturer's specifications.
- Keep the mount out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the RECON Quick Detach Scope Mount, please observe the following precautions:

- Always ensure that the mount is securely attached to the firearm before use.
- Do not exceed the manufacturer's recommended weight limits for optics.
- Avoid using the mount in extreme environmental conditions (e.g., excessive heat, cold, or moisture).
- Do not modify the mount or its components in any way.
- Always wear appropriate eye protection when using firearms equipped with optics.

## Instructions for Installation and Usage

Follow these steps for the safe installation and usage of the RECON Quick Detach Scope Mount:

### 1. Preparation:

- Ensure that you have all necessary tools for installation, including a torque wrench.
- Clean the mounting area on your firearm to remove any dirt or debris.

### 2. Installation:

- Align the mount with the Picatinny rail on your firearm.
- Secure the mount using the provided screws, ensuring that they are tightened to the manufacturer's specifications.
- Use a torque wrench to achieve the recommended torque setting for the screws.

### 3. Mounting the Optic:

- Place your optic into the mount, ensuring that it is properly seated.
- Secure the optic using the mount's locking mechanism.
- Doublecheck that the optic is firmly attached and does not move.

#### **4. Final Checks:**

- Inspect the mount and optic for any signs of misalignment or looseness.
- Perform a function check on your firearm to ensure that it operates correctly with the mounted optic.

#### **5. Usage:**

- Use the firearm in a safe and responsible manner, adhering to all local laws and regulations.
- Regularly inspect the mount and optic during use to ensure they remain secure.

## **Disposal Instructions**

When disposing of the RECON Quick Detach Scope Mount, please follow these guidelines:

- Dispose of the mount in accordance with local regulations regarding electronic and aluminum waste.
- Do not dispose of the mount in regular household waste.
- Consider recycling the aluminum components where facilities are available.

## **Contact Information for Further Support**

For any questions regarding the RECON Quick Detach Scope Mount or for safety inquiries, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
