

# RECON-X EXTENDED SCOPE MOUNTS - RECON 30MM EXTENDED SCOPE MOUNT 3" OFFSET

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Similar to the standard RECON, the RECON-X mount is made for putting high power glass onto a flattop style AR-15. The cantilever on the RECON-X provides extended eye relief over the standard RECON. At 3" of offset it provides the longest built in eye relief of any ADM Mount. Precision machined from 6061 T6 Aluminum and finished in hard coat T3 Mil-Spec anodize. it features the Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems

## Attributes

- Name: [RECON 30MM EXTENDED SCOPE MOUNT 3" OFFSET](#)
- Manufacturer: [AMERICAN DEFENSE MANUFACTURING](#)
- Product no.: 100005760
- Mfr. No.: AD-RECON-X-30-STD
- Color: Black
- Elevation: 0 MOA
- Finish: Matte Black
- Make: AR-15
- Material: Aluminum
- Number of Bases: 1-Piece
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.272kg
- Shipping height: 58mm
- Shipping width: 84mm
- Shipping length: 196mm
- UPC: 818503010804

# RECONX Extended Scope Mount Safety Instructions

## Introduction

Thank you for choosing the RECONX Extended Scope Mount. This product is designed to provide a secure and reliable means of mounting highpower optics on your AR15 platform. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the mount is compatible with your specific firearm model before installation.
- Always handle firearms and accessories with care and ensure they are unloaded when installing or adjusting the mount.
- Inspect the mount regularly for any signs of wear, damage, or loose components.
- Use the mount only for its intended purpose; do not exceed the manufacturer's specifications for weight or scope size.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the mount in any way.
- Ensure that the mount is securely fastened to the rail before use to prevent detachment during operation.
- Check the alignment of the scope after installation to ensure proper sighting.
- Avoid using the mount in extreme conditions (e.g., excessive heat, moisture) that may affect its performance.
- If you notice any unusual sounds or movements while using the mount, cease use immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Unpacking the Mount

- Carefully remove the RECONX Extended Scope Mount from its packaging.
- Inspect the mount for any visible damage or defects.

### 2. Installation Steps

- Ensure that your firearm is unloaded and safe to work on.
- Position the mount on the Picatinny rail of your AR15 at the desired location.
- Align the QD Auto Lock Lever with the rail and press down to secure the mount in place.
- Tighten the lever until it is snug but avoid overtightening, which may damage the rail or mount.

### 3. Scope Attachment

- Place your scope within the mount's rings and adjust to the appropriate position.
- Secure the scope by tightening the ring screws evenly to ensure proper alignment.
- Doublecheck the alignment and ensure the scope is level.

### 4. Final Check

- After installation, perform a visual inspection to confirm that everything is securely attached.
- Test the mount by gently pulling on the scope to ensure it is firmly in place.

## **Disposal Instructions**

- When disposing of the RECONX Extended Scope Mount, follow local regulations for metal recycling.
- Ensure that any components that could pose a risk (such as sharp edges) are properly handled to prevent injury.

## **Contact Information for Further Support**

For any inquiries or further support regarding the RECONX Extended Scope Mount, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and effective experience with your RECONX Extended Scope Mount. Thank you for your attention to these important guidelines.
