

RECON H QUICK DETACH SCOPE MOUNTS - AMERICAN DEFENSE MANUFACTURING 30MM 0 MOA 2" CANTILEVER MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Rock-Solid Mounts With Quick-Detach System

One-piece integral base and rings with dual-lever system provides a quick attach/detach platform for mounting optics onto flat-top-style AR-15s. Extra-high cantilever mount positions optics 2" forward, allowing you to get the eye relief you need. Precision machined from 6061 T6 aluminum and finished in hard coat T3 Mil-Spec anodize. Features ADM's Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems.

RECON H Quick Detach Scope Mounts Safety Instruction Guide

Introduction

Thank you for choosing the RECON H Quick Detach Scope Mount from American Defense Manufacturing. This guide provides important safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm and optics before installation.
- Inspect the product for any visible damage or defects before use. Do not use if damaged.
- Always follow the manufacturer's instructions for mounting optics and ensure all components are securely fastened.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified by the manufacturer.
- Regularly check the mount for wear and tear, especially after extensive use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with optics.
- Ensure that the firearm is unloaded before attaching or detaching the scope mount.
- Do not exceed the manufacturer's weight limit for mounted optics.
- Avoid using the mount in extreme environmental conditions, such as heavy rain or intense heat, unless specified.
- Be cautious of sharp edges and components during installation and use.
- Use caution when handling the mount to avoid pinching or injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Locate the Picatinny rail on your AR15.
- Align the RECON H Quick Detach Scope Mount with the desired position on the rail.
- Secure the mount by tightening the duallever system until snug, ensuring it is firmly attached to the rail.
- Use a torque wrench to apply the recommended torque settings as specified in the manufacturer's instructions.

3. Mounting the Optics:

- Place your optic into the scope rings of the mount.
- Adjust the position of the optic for optimal eye relief and comfort.
- Tighten the scope ring screws evenly to secure the optic in place.

4. Final Checks:

- After installation, doublecheck all screws and levers to ensure everything is secure.
- Perform a function check by cycling the firearm and ensuring the optic is properly aligned.

5. Usage:

- Always handle the firearm responsibly and in accordance with local laws and regulations.
- Regularly clean and maintain both the scope mount and optics to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount in household waste.
- Check with local recycling programs for proper disposal methods for aluminum and other materials.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or customer service resources. Ensure you have your product details available for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the RECON H Quick Detach Scope Mount!
