

SAIGA 12 12-ROUND MAGAZINE - SGM TACTICAL 12-RD SAIGA SHOTGUN MAGAZINE

[Magazines](#) > [Shotgun Magazines](#) > [Magazines](#)

Rugged, Smooth-Feeding, All-Polymer Construction

High-capacity magazine of tough, lightweight polymer composite lets you load up and fire 12 rounds before reloading your Saiga 12-gauge shotgun—ideal for home defense or three-gun competition. Reinforced, injection molded Dupont™ polymer construction ensures durability and a slick, self-lubricating interior for fast, reliable feeding. Raised horizontal ridges on the grasping areas ensure a secure grip when removing and inserting mag into the gun. Removable floorplate for easy cleaning; precision wound steel spring is treated with a corrosion-inhibiting coating for long-lasting protection from rust. Counts as three parts for compliance with U.S. Code Title 18 Section 922(r) part-source requirements.

SAIGA 12 12ROUND MAGAZINE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SAIGA 12 12Round Magazine by SGM Tactical. This highcapacity magazine is designed for use with Saiga 12gauge shotguns, offering reliability and ease of use for home defense and competitive shooting. This safety instruction guide provides essential information to ensure safe handling, usage, and disposal of the magazine in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the magazine is compatible with your Saiga 12gauge shotgun before use.
- Always handle firearms and ammunition with caution and respect.
- Keep the magazine, shotgun, and ammunition out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear, damage, or malfunction.
- Report any unsafe products or incidents to local authorities.

Specific Safety Precautions for Use

- Only use 2 3/4" shells with this magazine.
- Do not exceed the magazine's 12round capacity.
- Ensure the magazine is securely inserted into the shotgun before firing.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Do not attempt to modify or disassemble the magazine.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the shotgun.
- Firmly push the magazine into the well until it clicks into place.

2. Loading:

- Hold the magazine with the open end facing up.
- Insert 2 3/4" shells one at a time into the magazine until it reaches the 12round capacity.
- Ensure each shell is seated properly.

3. Firing:

- Ensure the shotgun is pointed in a safe direction.
- Pull the trigger to fire.
- After firing, the shotgun will automatically cycle the next round from the magazine.

4. Unloading:

- Remove the magazine from the shotgun by pressing the magazine release button.
- Eject any remaining shells from the chamber.
- Store the magazine and shotgun in a safe location.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic and polymer materials.
- Do not throw the magazine into regular household waste.
- If the magazine is damaged or no longer functional, contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SAIGA 12 12Round Magazine, please refer to the manufacturer's contact information or your local retailer for assistance.

Thank you for prioritizing safety and compliance while using the SAIGA 12 12Round Magazine. Your responsible handling of firearms contributes to a safer community.
