

# 1911 EXTREME SERVICE SLIDE STOP - HARRISON DESIGN & CONSULTING 9MM/.38/.40 SLIDE STOP, BLUED

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

## Curved, Low-Profile Pad For Secure Purchase & Fast, Positive Operation

CNC-machined to precise dimensions from high-grade steel forgings, these slide stops feature a smooth, low-profile thumb pad that won't snag on holsters or clothing. Pad's unique, curved geometry still ensures positive engagement under stress, with cold hands, or when wearing gloves. Excellent choice for a concealed-carry pistol. Separate models for .45 ACP and 9mm/.38 Super/.40 S&W/10mm pistols, both models available in blued carbon steel or stainless.

# Safety Instruction Guide for 1911 EXTREME SERVICE SLIDE STOP

## Introduction

Thank you for choosing the 1911 EXTREME SERVICE SLIDE STOP by Harrison Design & Consulting. This product is designed to enhance the functionality of your firearm while ensuring maximum safety during use. Please read this guide carefully to understand the safety guidelines and proper usage of this product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the slide stop is compatible with your specific model of firearm.
- Keep the slide stop and your firearm out of reach of children and unauthorized users.
- Regularly inspect the slide stop for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and free of oil or grease when handling the slide stop.
- Do not attempt to modify or alter the slide stop in any way.
- Always engage the slide stop in a safe environment, away from bystanders.
- Use appropriate personal protective equipment, such as gloves, if necessary.
- If you experience difficulty during installation or usage, stop and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the old slide stop if applicable, following the manufacturer's instructions.
- Align the new slide stop with the designated slot on your firearm.
- Insert the slide stop pin into the hole, ensuring it is secure.
- Test the functionality of the slide stop by cycling the action of the firearm without ammunition.

### 2. Usage:

- To engage the slide stop, press the thumb pad down with your thumb.
- Ensure that the slide stop engages properly by checking the firearm's operation.
- If you encounter any issues, consult a qualified gunsmith for assistance.

## Disposal Instructions

- Dispose of the slide stop in accordance with local regulations regarding metal waste.
- Do not dispose of the slide stop in regular household waste.
- If the slide stop is damaged beyond use, consider recycling options for metal materials.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult your local authorized dealer or a qualified gunsmith. Ensure that you have the product specifications ready for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is of utmost importance. Enjoy using your 1911 EXTREME SERVICE SLIDE STOP responsibly.
