# **Safety Instruction Guide for REPRODUCTION "EXOTIC" REVOLVER GRIPS N.C. ORDNANCE RUGER® VAQUERO®, STAG GRIPS**

## **Introduction**

Thank you for choosing the REPRODUCTION "EXOTIC" REVOLVER GRIPS by N.C. Ordnance. These grips are designed to enhance your singleaction revolver while providing a look and feel reminiscent of traditional materials like stag antlers, jigged bone, or ivory. This safety instruction guide will provide essential information to ensure safe usage, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure that the grips are compatible with the Ruger® Vaquero® model before installation.
- Inspect the grips for any visible damage or defects before use.
- Keep the grips out of reach of children and vulnerable individuals.
- Do not use the grips if they show signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Avoid exposing the grips to extreme temperatures or harsh chemicals, as this may affect their integrity and performance.
- Do not modify or alter the grips in any way, as this can lead to safety hazards.
- Always ensure that the revolver is unloaded before attempting to install or remove the grips.
- Use appropriate tools for installation to prevent damage to the grips or the revolver.
- Follow all local laws and regulations regarding the use and ownership of firearms.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the revolver is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a screwdriver suitable for the grip screws.

### **2. Removing Old Grips**

- Locate the screws securing the existing grips to the revolver frame.
- Carefully unscrew and remove the old grips, taking care not to damage the frame.

### **3. Installing New Grips**

- Align the new REPRODUCTION "EXOTIC" REVOLVER GRIPS with the frame of the revolver.
- Insert the screws into the designated holes and handtighten them to avoid stripping.
- Once aligned, use the screwdriver to securely fasten the screws, ensuring the grips are firmly attached but not overly tightened.

### **4. Final Check**

- Inspect the installation to ensure the grips are securely attached and do not interfere with the

operation of the revolver.

- Perform a function check on the revolver to confirm that it operates correctly with the new grips.

## **Disposal Instructions**

- Dispose of the grips responsibly if they become damaged or unusable.
- Follow local regulations for the disposal of plastic products.
- Do not incinerate the grips, as this may release harmful substances.
