

# "IN-LINE" MAGAZINE POUCH - TUFF 5 IN-LINE MAG POUCH, DOUBLE

[Shooting Accessories](#) > [Range Gear](#) > [Magazine Storage Pouches](#)

## Secure, Space-Saving Carry Of Backup Magazines

Durable, Cordura® nylon competition pouches hold spare magazines exactly where you need them, so you can get reloaded and back in action fast. Positions the mags at a 90° angle to the body, rather than flat against it, to maximize belt real estate. Single Stack accepts single-stack magazines for the SIG P220, 1911 Auto, and similar pistols. Double Stack accepts magazines for Beretta, Glock, Ruger SR9®/SR40™, SIG, Smith & Wesson M&P, Springfield XD/XDM, and similar double-stack pistols chambered in 9mm, .40 S&W, and .357 SIG. The flap may be detached to enable even quicker access to a fresh mag. Overbuilt with reinforced stitching at edges, internal support to help index magazine, and 2"-wide hook-and-loop fasteners for a superior mag retention. Mounts on belts up to 1¾" wide or MOLLE-compatible gear.

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the INLINE MAGAZINE POUCH TUFF 5 INLINE MAG POUCH, DOUBLE. This product is designed to securely hold spare magazines for quick access during use. To ensure safe operation and longevity of the product, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always inspect the pouch for any signs of damage or wear before use.
- Ensure that magazines are securely placed within the pouch to prevent accidental drops.
- Keep the pouch away from children and ensure it is used only by individuals who understand its operation.
- Do not overload the pouch beyond its specified capacity to maintain safety and functionality.
- Store the pouch in a cool, dry place when not in use to prevent material degradation.

### Specific Safety Precautions for Use

- Ensure that the flap is securely fastened when carrying magazines to prevent them from falling out.
- Use the detachable flap feature only when necessary to ensure quick access; otherwise, keep it secured.
- When mounting the pouch on a belt or gear, ensure that it is attached firmly and does not obstruct movement.
- Be cautious when accessing magazines to avoid injury from sharp edges or magazine components.
- Regularly check the hookandloop fasteners for wear and replace if they show signs of damage.

### Instructions for Installation and Usage

#### 1. Installation:

- Choose a suitable location on your belt or MOLLEcompatible gear.
- Slide the pouch onto the belt or attach it using the MOLLE straps.
- Ensure that the pouch is positioned comfortably for access without hindering your movement.

#### 2. Usage:

- To insert a magazine, open the flap (if applicable) and place the magazine securely in the pouch.
- For singlestack magazines, ensure they are placed in the Single Stack section; for doublestack magazines, use the Double Stack section.
- When ready to use a magazine, open the flap and pull the magazine out carefully.
- After use, return the magazine to the pouch and secure the flap.

### Disposal Instructions

- Dispose of the pouch responsibly at the end of its life cycle.
- Check local regulations for guidelines on the disposal of nylon and other materials.
- If the pouch is damaged beyond use, consider recycling the materials if possible.

### Contact Information for Further Support

For any questions or concerns regarding the INLINE MAGAZINE POUCH TUFF 5 INLINE MAG POUCH, DOUBLE, please refer to the manufacturer's contact details provided with your product packaging. This ensures you

receive accurate and timely assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your INLINE MAGAZINE POUCH TUFF 5 INLINE MAG POUCH, DOUBLE. Always prioritize safety and proper handling to enhance your experience with this product. Thank you for your attention to these guidelines.
