

RUGER® 10/22® SHOCK BUFFER - TACTICAL SOLUTIONS, LLC

10/22 SHOCK BUFFER

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Helps Extend Receiver Life & Reduce Felt Recoil

Shock-absorbing polyurethane buffer replaces the bolt stop pin to eliminate metal-to-metal contact and extend receiver life. Cushions the bolt's rearward motion to help prevent receiver cracking, reduce felt recoil, and enable quieter cycling.

Attributes

- Name: [TACTICAL SOLUTIONS, LLC 10/22 SHOCK BUFFER](#)
- Manufacturer: [TACTICAL SOLUTIONS, LLC](#)
- Product no.: 100006001
- Mfr. No.: FX01X01
- Model: 10/22
- Weapon type: Ruger
- Delivery weight: 0.005kg
- Shipping height: 33mm
- Shipping width: 69mm
- Shipping length: 89mm
- UPC: 879971001961

Item details

RUGER® 10/22® Shock Buffer Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® 10/22® Shock Buffer from Tactical Solutions, LLC. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and accessories with care.
- Store the shock buffer in a safe place, away from children and unauthorized users.
- Regularly inspect the buffer for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This shock buffer is designed for use with the Ruger 10/22 model only.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use protective eyewear when working on your firearm.
- Do not modify or alter the shock buffer in any way.
- Be aware of potential hazards associated with firearm usage, including recoil and noise.
- Keep fingers and other body parts clear of moving parts during operation.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools if required.

2. Remove the Existing Bolt Stop Pin:

- Carefully remove the bolt stop pin from the receiver.

3. Install the Shock Buffer:

- Insert the polyurethane shock buffer in place of the bolt stop pin.
- Ensure it is seated properly to avoid any movement during operation.

4. Reassemble the Firearm:

- Reassemble any components removed during installation.
- Doublecheck that all parts are securely in place.

5. Final Check:

- Inspect the installation to ensure the shock buffer is properly installed and unobstructed.

Usage

- The shock buffer is designed to absorb recoil and reduce felt impact.
- Monitor the performance of the buffer during use; if any issues arise, discontinue use immediately and inspect the product.
- Keep the firearm clean and wellmaintained to ensure optimal performance.

Disposal Instructions

- Dispose of the shock buffer in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support
