Introduction

Thank you for choosing the S&W M&P Logo Extended Mag Pad from Tactical Supply Depot. This product is designed to enhance your firearm's functionality while providing a unique, personalized touch. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the magazine extension.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Be aware of the local laws and regulations regarding firearm accessories.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is pointed in a safe direction during installation.
 - Avoid using excessive force when installing or removing the mag pad.
- **Usage Precautions:**
 - Do not exceed the magazine capacity specified by the manufacturer.
 - Always ensure the magazine is securely attached before use.
- **Cleaning Precautions:**
 - Use a soft cloth for cleaning. Avoid abrasive materials that may scratch the surface.
 - Ensure the product is completely dry before reattaching it to the magazine.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Remove the existing factory plastic base plate from the magazine by following the manufacturer's instructions.
- Align the S&W M&P Logo Extended Mag Pad with the magazine body.
- Slide the mag pad onto the magazine until it clicks into place securely.
- Check to ensure the mag pad is properly attached and does not move.

2. Usage:

- Load the magazine with ammunition according to the manufacturer's specifications.
- Insert the magazine into the firearm, ensuring it locks into place.
- Always inspect the magazine before use to confirm it is secure and free from obstructions.

3. Removal:

- To remove the mag pad for cleaning, simply slide it off the magazine body.
- Clean the magazine and mag pad as needed, following the cleaning precautions mentioned above.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for aluminum components where available.
