

PICATINNY AFG2 ANGLED FORE GRIP - MAGPUL AFG2 ANGLED FORE GRIP POLYMER W/PICATINNY BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Low-profile forward grip/hand stop takes advantage of natural body mechanics to give the shooter more precise control, faster pointing, and less operator fatigue. The Magpul AFG™ (Angled Fore Grip) positions the support hand close to the centerline of the bore for maximum recoil control to aid in fast, accurate follow-up shots. Provides a consistent reference point for finding the correct hand position quickly when mounting the weapon under stress. The natural, ergonomic hand position with the palm facing up results in better blood flow than the “clenched fist” stance often used with vertical grips that leads to fatigue and loss of sensation during long periods in the ready position. Improves on the “thumb break” hold often used with standard vertical grips by allowing the thumb to rest comfortably alongside the top rail, pointing forward, with the rest of the hand in full contact with the forend. Heavy-duty reinforced molded polymer construction stands up to the hard knocks of tactical operations, and deep, molded-in grooves help you maintain a firm grip even with wet hands. Interchangeable inserts give the choice of a straight, uninterrupted gripping surface or one with a convenient ledge to support the index finger. Slides over any Picatinny-style rail and locks securely in place with a hardened steel crossbolt. The more compact AFG2™ is shorter and narrower to take up even less rail space, with enough clearance to fit a larger variety of weapons. Both models may be installed on tactical shotguns and other rifles with railed forends; won't interfere with insertion and removal of magazines on AK-47s.

Attributes

- Name: [MAGPUL AFG2 ANGLED FORE GRIP POLYMER W/PICATINNY BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100006196
- Mfr. No.: MAG414-BLK

Safety Instruction Guide for the Magpul Picatinny AFG2 Angled Fore Grip

Introduction

Thank you for choosing the Magpul Picatinny AFG2 Angled Fore Grip. This product is designed to enhance your shooting experience by providing a stable and ergonomic grip. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction guide.

General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Always handle firearms with care and follow all safety protocols.
- Keep the fore grip and the firearm clean and free of obstructions.
- Regularly inspect the fore grip for any signs of damage or wear.
- Do not use the fore grip if it appears damaged or compromised.
- When using the product, be aware of your surroundings and ensure that you are in a safe environment.
- Store the fore grip and firearm securely when not in use.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the fore grip as specified by the manufacturer.
- Ensure that the fore grip is securely attached to the Picatinny rail before use.
- Avoid using the fore grip in extreme weather conditions that may affect its performance.
- Be cautious when using the fore grip with highrecoil firearms, as improper use may lead to loss of control.
- If you are inexperienced with firearms, seek guidance from a qualified instructor before use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Locate the Picatinny rail on your firearm.
- Align the AFG2 fore grip with the rail and slide it into position.
- Secure the fore grip in place using the hardened steel crossbolt provided.
- Check that the fore grip is firmly attached and does not move.

2. Usage:

- Grip the fore grip with your support hand, keeping your palm facing up for optimal ergonomics.
- Maintain a natural hand position to reduce fatigue during extended use.
- Use the fore grip to stabilize your aim and improve recoil control.
- Practice using the fore grip in a safe environment to become familiar with its functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and polymer waste.
- Do not dispose of the fore grip in regular household waste.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Magpul Picatinny AFG2 Angled Fore Grip, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your Magpul Picatinny AFG2 Angled Fore Grip. Thank you for your attention to safety.
