# RECON H Quick Detach Scope Mounts Safety Instruction Guide

## Introduction

Thank you for choosing the RECON H Quick Detach Scope Mount from American Defense Manufacturing. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your scope mount. Please read through this document carefully before using the product.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm and optics before installation.
- Always handle firearms and related accessories with care and follow basic firearm safety rules.
- Inspect the scope mount for any defects or damage before use. Do not use if any issues are detected.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to the firearm before use.
- Do not exceed the manufacturer's weight limit for optics mounted on this scope mount.
- Avoid using the scope mount in extreme weather conditions without proper precautions.
- Ensure that the mount is adjusted correctly to your eye relief requirements to prevent discomfort or injury.
- If you are unfamiliar with mounting optics, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction before beginning installation.
- Locate the Picatinny rail on your firearm.
- Align the scope mount's base with the rail, ensuring it is positioned securely.
- Use the duallever system to tighten the mount firmly. Ensure it is locked in place.
- Verify that the mount is level and properly positioned for optimal eye relief.

### 2. Usage:

- After installation, check the stability of the mount by gently shaking the scope.
- Adjust your optics according to your shooting preferences and ensure clear visibility.
- Regularly inspect the tightness of the mount and make adjustments as necessary.

## Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, use designated recycling facilities or collection points for metal products.
- Remove any nonmetal components before recycling, if applicable.
