

# AK-47 REAR SIGHT RAIL - SAMSON MANUFACTURING CORP REAR SIGHT RAIL STANDARD W/AIMPOINT MICRO T1 INTERFACE®AK47

[Rifle Parts](#) > [Sights](#) > [Sight Parts](#) > [Rear Sight Bases](#)

## No-Gunsmithing Optic Mount With Backup Rear "Iron" Sight

An easy way to add a tactical optic to your Kalashnikov, this steel mount replaces the rear sight on any AK-pattern rifle to enable mounting of a red dot or holographic sight. MIL-STD 1913 Picatinny slots provide a rock-solid attachment point for the optic that won't shift during extended-fire sessions. Easy to install - requires no permanent modification to the rifle. Channel through the length of the mount has a built-in rear sight that works with factory front sight for iron sight backup in the event of optic damage, failure, or battery run-down.

## Attributes

- Name: [SAMSON MANUFACTURING CORP REAR SIGHT RAIL STANDARD W/AIMPOINT MICRO T1 INTERFACE®AK47](#)
- Manufacturer: [SAMSON MANUFACTURING CORP](#)
- Product no.: 100006266

# AK47 Rear Sight Rail Safety Instructions

## Introduction

Thank you for purchasing the AK47 Rear Sight Rail from Samson Manufacturing Corp. This guide provides essential safety instructions and information for the proper use and installation of your product. Please read this document carefully to ensure safe operation and maintenance.

## General Safety Guidelines

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Inspect the product regularly for signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the AK47 Rear Sight Rail with compatible AKpattern rifles equipped with a rear leaf sight.
- Do not attempt to modify the rear sight rail or the rifle in any way that could compromise safety.
- Always ensure that the rifle is unloaded before installation or maintenance.
- Use the rear sight rail only for its intended purpose of mounting tactical optics.
- Be aware of your surroundings and ensure a safe shooting environment when using the rifle.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the rifle is unloaded and in a safe condition.
2. **Remove the Existing Rear Sight:** Carefully remove the current rear sight from the rifle.
3. **Position the Rear Sight Rail:** Align the AK47 Rear Sight Rail with the mounting area on the rifle.
4. **Secure the Rail:** Use the included mounting hardware to secure the rail in place. Ensure it is tightly fastened to prevent movement.
5. **Check Alignment:** Verify that the rail is properly aligned and securely attached.
6. **Install Optic:** Follow the manufacturer's instructions for attaching your red dot or holographic sight to the rail.

### Usage Instructions

- Once installed, ensure that the optic is securely mounted and operational.
- Test the functionality of the iron sight backup by checking alignment with the factory front sight.
- Regularly check the tightness of the mounting hardware, especially after extended use or firing sessions.

## Disposal Instructions

- When disposing of the product, follow local regulations for the disposal of metal and firearms accessories.
- Ensure that the product is rendered unusable before disposal to prevent unauthorized use.

## Contact Information for Further Support

For any questions or concerns regarding the AK47 Rear Sight Rail, please refer to the manufacturer's contact information included with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your AK47 Rear Sight Rail. Thank you

for prioritizing safety in your shooting activities.
