# TITANIUM PIN SET for GLOCK® GEN4 Safety Instruction Guide

## Introduction

Thank you for purchasing the TITANIUM PIN SET for GLOCK® GEN4 from ZEV TECHNOLOGIES. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the TITANIUM PIN SET is suitable for your specific Glock model. This product fits all Glock pistols except Model 36, 42 & 43.
- Always handle firearms with care and follow all safety protocols associated with firearm handling.
- Inspect the pins regularly for any signs of wear or damage. Replace any damaged pins immediately.
- Keep the product out of reach of children and unauthorized users.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attempting to install or replace any pins.
- Use appropriate tools and follow the installation instructions carefully to avoid injury or damage to the firearm.
- Avoid using excessive force during installation to prevent bending or breaking the pins.
- Be cautious of the sharp edges of the pins during handling.
- If you are not familiar with firearm maintenance, consider seeking assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools: a punch tool and a hammer.

### 2. Installation Steps:

- Remove the factory pins from the firearm using the punch tool.
- Align the new titanium pins with the corresponding holes in the firearm frame.
- Gently tap the new pins into place using the hammer and punch tool. Ensure a snug fit.
- Verify that the pins are securely in place and do not protrude from the frame.

### 3. PostInstallation Check:

- After installation, perform a thorough inspection of the firearm to ensure all components are functioning correctly.
- Test the firearm's operation in a safe environment to confirm that the new pins are properly installed.

## Disposal Instructions

- Dispose of any old factory pins and packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for any recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or support regarding the TITANIUM PIN SET for GLOCK® GEN4, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's official website.

Thank you for choosing ZEV TECHNOLOGIES. Your safety is our priority. Please follow these guidelines to ensure a safe and enjoyable experience with your new product.
