## Helps You Hone Your Marksmanship Skills

Matterhorn Innovations Reversa Targets are part of a portable target system that sets up in minutes for hassle-free target practice and plinking. Matterhorn Innovations Reversa Targets are large, sturdy 3 ft. high x 2 ft. wide corrugated cardboard targets that come in two styles: The Silhouette features a large humanoid silhouette on the front for practicing self-defense drills. The Deer Vitals target helps hunters practice for hunting season with an outline of the vital area of a deer, with the locations of the heart, lungs, liver, and bones clearly marked. The backs of both Matterhorn Innovations Reversa Targets have multiple black-and-white bullseyes for sight-in work, plus tabbed slots you can fold out to hold 12 individual clay birds for a satisfying cloud of clay dust every time you hit one. Brownells Gun Tech™ Tip: The stand for these targets is sold separately.

## **Introduction**

Thank you for choosing Matterhorn Innovations Reversa Targets. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your target system. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Ensure that all users are aware of the safety instructions and guidelines.
- Always supervise children when using or handling the targets.
- Use the targets in a safe and controlled environment, away from public areas and bystanders.
- Regularly inspect the targets for any damage or wear before use.
- Follow local laws and regulations regarding the use of targets and firearms.

## **Specific Safety Precautions for Use**

- **Identification of Hazards:**

- The targets are made of corrugated cardboard and may become damaged if exposed to moisture.
- Sharp objects or projectiles can cause injury; handle all equipment with care.

- **Avoiding Hazards:**

- Do not use the targets in wet or damp conditions.
- Ensure that the shooting area is clear of obstructions and people.
- Always wear appropriate eye and ear protection when shooting.

- **Age Specific Warnings:**

- The targets are not suitable for children under the age of 12 without adult supervision.
- Ensure that younger users understand the importance of safety and proper handling.

## **Instructions for Installation and Usage**

- **Installation:**

1. Choose a flat, stable surface for setting up the target.
2. If using a stand (sold separately), follow the manufacturer's instructions for assembly.
3. Ensure the target is securely positioned and will not fall over during use.

- **Usage:**

- Set up the target at a safe distance according to the shooting requirements.
- Aim and shoot at the target following standard safety practices.
- After use, inspect the target for damage and remove any debris from the shooting area.

## **Disposal Instructions**

- Dispose of damaged or worn targets in accordance with local waste disposal regulations.
- Recycle cardboard materials where facilities are available.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please contact your local distributor or retailer.

By following these guidelines, you can ensure a safe and enjoyable experience with your Matterhorn Innovations Reversa Targets. Thank you for your attention to safety and responsible usage.
