

# CHING SPECIALTY SLINGS - ANDYS LEATHER CHING SPECIALTY SLING, 1.25", CHESTNUT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Tough, Flexible Premium Leather For Hunting & Competition

Traditional leather slings are hand made from high-quality bridle leather that's been tumbled for days with special oils and waxes for maximum flexibility and toughness in the field or at the bench. Features 38 punched holes for a variety of different length adjustments, and includes a solid brass buckle that locks tight for a secure hold that can't slip. Brass screw fasteners keep sling loops closed for a level of security you can depend on. Available in 1" and 1¼" widths. Ching Specialty model is a 3-point sling developed by Eric Ching in cooperation with the Gunsite training school and is perfect for target shooting, competition and dangerous game hunting where fast, accurate shot placement is essential. Center strap locks around the shooter's upper arm for rock-solid stability without using a bipod. Works like a "Deliberate" sling, but much faster to use, and once it's preset, no further loop adjustments are necessary.

## Attributes

# CHING SPECIALTY SLING Safety Instructions

## Introduction

Thank you for choosing the CHING SPECIALTY SLING by ANDYS LEATHER. This product is designed for optimal performance in target shooting, competition, and hunting. To ensure your safety and the longevity of your sling, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the sling is used only for its intended purpose.
- Always inspect the sling for any signs of wear or damage before each use.
- Keep the sling out of reach of children when not in use.
- Do not modify the sling in any way, as this may compromise its safety and effectiveness.
- Be aware of your surroundings when using the sling to avoid accidents.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for children under the age of 18. Adult supervision is required for any use by individuals under this age.
- **Proper Fit:** Ensure that the sling is adjusted to fit securely around your upper arm for stability. A loose fit can lead to accidents.
- **Avoid Overloading:** Do not exceed the recommended weight limits for the sling. Overloading can cause failure and result in injury.
- **Sling Swivels:** Sling swivels are not included. Ensure you use compatible swivels that are rated for the weight of your firearm.
- **Dry Conditions:** Avoid using the sling in wet conditions, as moisture can affect the leather's integrity and your grip.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the sling swivels to the firearm according to the manufacturer's instructions.
- Ensure the swivels are securely fastened before proceeding.

### 2. Adjusting the Sling:

- Locate the 38 punched holes along the sling for length adjustments.
- Select the appropriate hole to achieve a snug fit around your upper arm.
- Use the solid brass buckle to lock the sling in place. Ensure it is tight and secure.

### 3. Using the Sling:

- When ready to shoot, position the center strap around your upper arm.
- Ensure the sling is taut but comfortable, allowing for proper movement.
- Practice using the sling with an unloaded firearm to become familiar with its operation.

### 4. PostUse Care:

- After use, inspect the sling for any signs of wear or damage.
- Clean the leather with a damp cloth and allow it to dry naturally.
- Store the sling in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- When disposing of the sling, consider recycling the leather if possible.
- If the sling is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.
- Do not burn the sling, as this may release harmful fumes.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the CHING SPECIALTY SLING, please refer to the contact information provided by the retailer from which you purchased the product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your CHING SPECIALTY SLING. Always prioritize safety and be mindful of your surroundings while using this product. Thank you for your attention to these important guidelines.
