

# AR-15 MOE SL-K STOCK COLLAPSIBLE MIL-SPEC - MAGPUL MOE SL-K COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Slim, Maneuverable Tactical Stock With Plenty Of Versatility

Further developing Magpul's original SL stock, the SL-K is designed for compact PDW-style weapons or users who simply desire a small, light, highly maneuverable stock. Drop-in replacement for M4-type adjustable stocks that fit mil-spec (1.14" O.D.) buffer tubes. It offers a short, slim profile, comfortably sloped cheekweld, a rubber recoil pad with a "rolled" toe for easy shouldering and better fit when wearing body armor. Built-in 1.25" sling loop, and also accepts Magpul ASAP® and M-LOK QD Sling Mount (available separately) for pushbutton QD sling swivels. Ambidextrous latch enables easy extension/retraction of stock, plus it minimizes rattle on the receiver extension without requiring additional locks, levers, or springs. Latch made of steel, too, so it won't fail under hard use.

## Attributes

# Safety Instruction Guide for AR15 MOE SLK Stock

## Introduction

Thank you for choosing the AR15 MOE SLK Collapsible MilSpec Stock by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully to understand how to operate and maintain your stock safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a firearm accessory.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the product regularly for signs of wear or damage before each use.
- Do not modify the stock or use it in ways not specified by the manufacturer.
- Keep the stock and all related components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to local authorities.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the stock is correctly installed on a compatible milspec buffer tube (1.14" O.D.). Improper installation may lead to malfunction or injury.
- **Usage:**
  - Always ensure the firearm is unloaded before attaching or detaching the stock.
  - Use the stock in a safe environment, free from obstructions and hazards.
  - Maintain proper control of the firearm at all times while using the stock.
- **Maintenance:** Regularly clean and inspect the stock for any signs of damage. Replace any worn components immediately.
- **Sling Use:** When using a sling, ensure it is properly attached to avoid accidental disengagement during use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the milspec buffer tube.
- Align the AR15 MOE SLK Stock with the buffer tube and push it onto the tube until it locks into place.
- Test the latch to ensure it is securely locked.

### 2. Usage:

- Adjust the stock to the desired length by pressing the ambidextrous latch and extending or retracting the stock.
- Ensure the stock is fully extended or retracted before use.
- Maintain a firm grip on the firearm and ensure proper stance while aiming and shooting.

### 3. PostUse:

- After use, store the firearm and stock in a secure location, away from unauthorized users.
- Clean the stock according to the manufacturer's recommendations to ensure longevity.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the stock is damaged or no longer in use, consider recycling the polymer material where applicable.
- Do not dispose of the stock in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product issues, please consult the manufacturer's website or contact their customer service directly. Ensure you have the product details ready for reference.

This safety instruction guide is designed to help you use your AR15 MOE SLK Stock safely and effectively. By following these guidelines, you can ensure a positive experience while using your firearm accessory. Thank you for your attention to safety.
