

# AR-15 MOE+ GRIP - MAGPUL MOE+ GRIP POLYMER FOR AR15/M4 BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

## Rubber-Coated Surface Provides Maximum Control In Adverse Environments

Same contours and hard-molded polymer construction as the original MOE Grip. Durable, economical, easy-to-install replacement for factory pistol grip that gives the shooter a solid, secure grasp. Rigid, fully supported one-piece construction from the same reinforced, high-impact polymer as the MIAD grip, with crackle texture on the sides and deep horizontal grooves on frontstrap and backstrap. Curved beavertail similar to the MIAD B2 insert fills the grip-to-receiver junction to help you maintain a comfortable hold and protect the web of your hand during sustained firing. The MOE+ Grip has the addition of an anti-slip overmolded rubber coating for enhanced weapon control in wet conditions or when hand is sweaty. A polymer cap storage secures small items inside the internal compartment, and the MOE+ accepts Magpul MIAD grip cores (sold separately).

## Attributes

- Name: [MAGPUL MOE+ GRIP POLYMER FOR AR15/M4 BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100006786
- Mfr. No.: MAG416-BLK
- Colour: Black

# Safety Instruction Guide for AR15 MOE+ Grip

## Introduction

Thank you for choosing the AR15 MOE+ Grip by Magpul. This product is designed to enhance your shooting experience with a solid and secure grasp. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully. It contains important information about product safety, installation, usage, and disposal.

## General Safety Guidelines

To ensure safe use of the AR15 MOE+ Grip, please adhere to the following guidelines:

- Always follow the manufacturer's instructions and safety warnings.
- Inspect the grip for any damage before installation. Do not use if damaged.
- Ensure that the firearm is unloaded before handling or installing the grip.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the AR15 MOE+ Grip, please observe the following precautions:

- Ensure a proper fit to the firearm to prevent any operational issues.
- Avoid using the grip in extreme temperatures or environments that may compromise its integrity.
- Do not modify the grip in any way, as this may affect its performance and safety.
- Be aware of your surroundings when handling firearms, and always follow safe handling practices.
- Use appropriate protective gear, such as gloves and eye protection, when engaging in shooting activities.

## Instructions for Installation and Usage

To install and use the AR15 MOE+ Grip correctly, follow these steps:

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather the necessary tools for installation, including a screwdriver.

### 2. Installation:

- Remove the existing grip from the firearm by unscrewing it from the lower receiver.
- Align the AR15 MOE+ Grip with the mounting hole on the lower receiver.
- Secure the grip using the provided mounting hardware, ensuring it is tightly fastened.
- Check that the grip is firmly attached and does not move.

### 3. Usage:

- Hold the firearm with the installed grip, ensuring a comfortable and secure grasp.
- Familiarize yourself with the grip's features, including the antislip overmolded rubber coating.
- Maintain a proper shooting stance and grip to enhance control and accuracy.

## **Disposal Instructions**

When the AR15 MOE+ Grip reaches the end of its life cycle or if you decide to dispose of it, please follow these disposal guidelines:

- Do not dispose of the grip in regular household waste.
- Check local regulations for proper disposal methods of polymer materials.
- If the grip is damaged or worn, consider recycling options where available.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the AR15 MOE+ Grip, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15 MOE+ Grip. Thank you for your attention to safety.
