

AR-15 MBUS GEN 2 TACTICAL REAR SIGHT - MAGPUL MBUS REAR SIGHT FLIP-UP POLYMER FOR AR-15 BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Windage-adjustable rear sight has two apertures: a large, .185" peep and a .070" peep. Designed for AR-type rifles and carbines, fits any weapon with Picatinny rails.

Safety Instruction Guide for AR15 MBUS GEN 2 Tactical Rear Sight

Introduction

Thank you for choosing the AR15 MBUS GEN 2 Tactical Rear Sight by Magpul. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU safety regulations. Ensure proper handling and usage to avoid accidents.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. Regularly check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick notifications regarding product safety.

Specific Safety Precautions for Use

- Always ensure that the sight is securely attached to the firearm before use.
- Do not use the sight if it is damaged or if any components appear to be malfunctioning.
- Ensure that the sight is properly deployed before aiming or firing.
- Avoid using the sight in extreme weather conditions that may affect its functionality.
- Regularly inspect the sight for wear and tear, particularly the springloaded mechanism.
- Use the sight only on firearms that are compatible with Picatinny rails.
- Do not attempt to modify or alter the sight in any way.

Instructions for Installation and Usage

Installation

1. **Check Compatibility:** Ensure that your firearm has a Picatinny rail for proper installation.
2. **Position the Sight:** Align the sight with the desired position on the rail.
3. **Secure the Sight:**
 - Use the included steel crossbolt to secure the sight in place.
 - Tighten the crossbolt until the sight is firmly attached, but do not overtighten.
4. **Deploy the Sight:** To deploy, press the ambidextrous release mechanism located on either side of the sight.

Usage

- **Deploying the Sight:**
 - Press the grooved tab on either side of the sight to deploy.
 - Ensure the sight locks into place before use.
- **Adjusting the Sight:**
 - Use the windage adjustment feature to align the sight as needed.
 - Choose between the large (.185") and small (.070") apertures based on your preference.
- **Retracting the Sight:**
 - Press the same tabs used for deployment to retract the sight when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Consider recycling options for polymer materials where available.

Contact Information for Further Support

For further assistance, please reach out to the retailer from whom you purchased the product or consult their website for more information on product support.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your AR15 MBUS GEN 2 Tactical Rear Sight. Always prioritize safety and proper usage to enhance your shooting experience.
