

AR-15 MBUS GEN 2 TACTICAL REAR SIGHT - MAGPUL MBUS REAR SIGHT FLIP-UP POLYMER FOR AR-15 FDE

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Windage-adjustable rear sight has two apertures: a large, .185" peep and a .070" peep. Designed for AR-type rifles and carbines, fits any weapon with Picatinny rails.

Attributes

- Name: [MAGPUL MBUS REAR SIGHT FLIP-UP POLYMER FOR AR-15 FDE](#)

Safety Instruction Guide for AR15 MBUS GEN 2 Tactical Rear Sight

Introduction

Thank you for choosing the AR15 MBUS GEN 2 Tactical Rear Sight by MAGPUL. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully to understand how to use the sight effectively and safely.

General Safety Guidelines

- Ensure the sight is compatible with your firearm before installation.
- Always treat firearms as if they are loaded. Keep the muzzle pointed in a safe direction.
- Use the sight only for its intended purpose. Do not modify or alter the sight.
- Regularly inspect the sight for any signs of wear or damage. Do not use if damaged.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the sight.
- Do not attempt to deploy or retract the sight while aiming your firearm.
- Be cautious when using the ambidextrous release mechanism. Ensure your fingers are clear of the sight when deploying or retracting it.
- Avoid using the sight in extreme weather conditions that may impair its functionality.
- If you experience difficulty deploying or retracting the sight, stop use immediately and consult the manual or seek professional assistance.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Positioning:** Align the sight with the MILSTD 1913 Picatinny rail on your firearm.
3. **Mounting:** Secure the sight using the included steel crossbolt. Ensure it is tightened sufficiently to prevent movement.
4. **Deployment:** To deploy the sight, press the grooved tab on either side of the sight.
5. **Locking:** Ensure the sight locks into place before use.

Usage

- To adjust the windage, use the provided adjustment tool to turn the appropriate knob.
- Choose the desired aperture (large or small) based on your shooting conditions.
- After use, retract the sight by pressing the same tabs used for deployment.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support
