

# AR-15 MBUS GEN 2 TACTICAL REAR SIGHT - MAGPUL MBUS REAR SIGHT FLIP-UP POLYMER FOR AR-15 ODG

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Windage-adjustable rear sight has two apertures: a large, .185" peep and a .070" peep. Designed for AR-type rifles and carbines, fits any weapon with Picatinny rails.

## Attributes

- Name: [MAGPUL MBUS REAR SIGHT FLIP-UP POLYMER FOR AR-15 ODG](#)
- Manufacturer: [MAGPUL](#)

# AR15 MBUS GEN 2 Tactical Rear Sight Safety Instruction Guide

## Introduction

Thank you for purchasing the AR15 MBUS GEN 2 Tactical Rear Sight by Magpul. This guide provides essential safety instructions and usage guidelines to ensure proper installation and operation of your new sight. Please read this manual carefully before use to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure the sight is installed correctly before use.
- Always handle firearms responsibly and follow all safety protocols.
- Keep the sight and all firearm accessories out of reach of children.
- Regularly inspect the sight for damage or wear before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the sight with firearms that have Picatinny rails.
- Ensure the sight is securely locked in place before shooting.
- Do not attempt to modify the sight in any way.
- Avoid using the sight in extreme weather conditions that may impair visibility.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your firearm is unloaded and safe to handle.
2. **Positioning:** Align the sight with the Picatinny rail on your firearm.
3. **Attachment:** Secure the sight using the included steel crossbolt. Ensure it is tightened adequately to prevent movement.
4. **Deployment:** To deploy the sight, press the ambidextrous release mechanism on either side of the sight. Ensure it locks into place.
5. **Retracting:** To retract the sight, press the same tabs used for deployment until the sight folds down.

### Usage

- **Adjustments:** The rear sight features windage adjustment. Use the large (.185") or small (.070") apertures as needed for your shooting conditions.
- **Checking Alignment:** Verify that the sight is correctly aligned with your primary optic if applicable.
- **Maintenance:** Regularly clean the sight to ensure optimal performance. Use a soft cloth and avoid abrasive materials.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the AR15 MBUS GEN 2 Tactical Rear Sight, please refer to the manufacturer's website or customer service for assistance.

Please keep this guide for future reference and ensure that all users of the sight read and understand these safety instructions. Your safety and the safety of others depend on proper usage and adherence to these guidelines.
