

AR-15 FLIP-UP MBUS GEN 2 FRONT SIGHT - MAGPUL MBUS FRONT SIGHT FLIP-UP POLYMER FOR AR-15 BLACK

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Front sight must be mounted on a railed forend on the same plane as the receiver rail to witness correctly with rear sight. Not compatible with railed gas blocks or the MOE handguard.

Attributes

- Name: [MAGPUL MBUS FRONT SIGHT FLIP-UP POLYMER FOR AR-15 BLACK](#)

AR15 FLIPUP MBUS GEN 2 FRONT SIGHT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the AR15 FLIPUP MBUS GEN 2 FRONT SIGHT by MAGPUL. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the front sight is installed correctly on a compatible railed forend to avoid malfunction.
- Always check the sight for any signs of damage or wear before each use.
- Keep the front sight clean and free of debris to ensure proper functionality.
- Use the sight only in accordance with the manufacturer's instructions.
- Store the sight in a safe place, out of reach of children and pets.
- Be aware of your surroundings when using firearms equipped with this sight.

Specific Safety Precautions for Use

- Do not attempt to modify the sight or its components.
- Always ensure that your firearm is unloaded when installing or adjusting the sight.
- Use the sight only with an AR15 platform; do not use with incompatible firearms.
- Always wear appropriate eye protection when using firearms.
- Be mindful of the sight's deployment mechanism; ensure it is fully locked in place before use.
- If you experience any issues with the sight, do not attempt to repair it yourself; contact a qualified professional.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the MILSTD 1913 Picatinny receiver rail on your AR15.
- Align the front sight with the rail and slide it into position.
- Secure the sight using the included steel crossbolt, ensuring it is tight and secure.
- Confirm that the sight is on the same plane as the receiver rail for proper alignment with the rear sight.

2. Usage

- To deploy the sight, press the ambidextrous release mechanism located on either side of the sight.
- Ensure that the sight is fully extended and locked in place before aiming.
- To retract the sight, press the same tabs used for deployment.
- Always verify the sight's position before firing.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged beyond use, contact a local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer service department for assistance.

Thank you for your attention to these safety guidelines. Enjoy your AR15 FLIPUP MBUS GEN 2 FRONT SIGHT responsibly and safely.
