

# AR-15 FLIP-UP MBUS GEN 2 FRONT SIGHT - MAGPUL MBUS FRONT SIGHT FLIP-UP POLYMER FOR AR-15 FDE

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Front sight must be mounted on a railed forend on the same plane as the receiver rail to witness correctly with rear sight. Not compatible with railed gas blocks or the MOE handguard.

## Attributes

- Name: [MAGPUL MBUS FRONT SIGHT FLIP-UP POLYMER FOR AR-15 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100006792

# Safety Instruction Guide for AR15 FLIPUP MBUS GEN 2 FRONT SIGHT

## Introduction

Thank you for choosing the AR15 FLIPUP MBUS GEN 2 FRONT SIGHT by MAGPUL. This guide provides essential safety instructions and usage information to ensure the safe and effective operation of your front sight. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the sight is compatible with your firearm before installation.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before each use.
- If you suspect any defects or issues, discontinue use immediately and contact a qualified professional.

## Specific Safety Precautions for Use

- **Proper Mounting:** Ensure the front sight is mounted on a railed forend on the same plane as the receiver rail for accurate sighting.
- **Avoid Gas Blocks:** Do not mount the sight on railed gas blocks or the MOE handguard as it may cause misalignment or damage.
- **Deployment Safety:** Use the ambidextrous release mechanism to deploy and retract the sight carefully to avoid pinching fingers.
- **Height Over Bore:** Be aware that the sight provides the same height over bore as standard A2 iron sights; ensure proper alignment with your primary optic.
- **Environmental Awareness:** Be cautious of environmental conditions that may affect sight performance, such as extreme temperatures or moisture.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Select a suitable location on the railed forend for mounting the front sight.
- Align the sight with the rail and secure it using the included steel crossbolt.
- Confirm that the sight is locked in place before proceeding.

### 2. Usage:

- To deploy the sight, press the grooved tab on either side of the sight.
- Once deployed, verify that the sight is locked in position.
- To retract the sight, press the same tabs and gently fold the sight down.
- Regularly check the deployment mechanism for functionality.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations for plastic and metal waste.
- Do not incinerate the sight, as this may release harmful substances.
- If the sight is damaged beyond use, ensure it is disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage, please consult the manufacturer's website or contact their customer service department.

Thank you for your attention to these safety instructions. Enjoy using your AR15 FLIPUP MBUS GEN 2 FRONT SIGHT responsibly and safely.
