

725 GUN CLEANER DEGREASER - SLIP 2000 4 OZ. CLEANER/DEGREASER PUMP SPRAY

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Degreasers](#)

Effective, High-Strength Cleaning & Protection For All Your Firearms

725 Gun Cleaner should truly be called Super Degreaser judging from the way it out-performs competitive products. This cleaner will cut through the toughest cosmoline, carbon, grease and grime! Its super strength allows it to degum and degunk the dirtiest of gun parts when sprayed on or used in parts washers or solvent tanks! Inhibited to help protect sensitive metals, 725 Gun Cleaner has been thoroughly tested in the field by shooters and gun smiths and has come through with flying colors! Hands-on Gunsmiths and Armors praise how quickly it dissolves in warm water, how well it works in both hard and soft water, how freely it rinses to leave parts bare-metal bright, how long it lasts for savings in product upkeep and disposal cost reduction. Water based avoids environmental and health safety issues Non-Caustic helps eliminate caustic burns and fumes Non-petroleum helps eliminates fire hazard and disposal problems

725 Gun Cleaner Degreaser Safety Instruction Guide

Introduction

Thank you for choosing the 725 Gun Cleaner Degreaser. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the product to avoid any potential hazards and to maximize its effectiveness.

General Safety Guidelines

- Always store the product in its original container with the label intact.
- Keep the product out of reach of children and pets.
- Ensure good ventilation when using the product to avoid inhalation of fumes.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the product.
- Do not mix with other cleaning agents or chemicals, as this may cause dangerous reactions.
- Dispose of the product and its container responsibly and in accordance with local regulations.

Specific Safety Precautions for Use

- **Hazard Identification:** The product contains ingredients that may be harmful if ingested or inhaled.
- **Avoiding Hazards:**
 - Do not use near open flames or sparks, as the product is nonpetroleum but may still pose a fire hazard.
 - Use in a wellventilated area to minimize inhalation risks.
 - If you experience dizziness, headache, or respiratory issues while using the product, discontinue use immediately and seek fresh air.
- **Age Restrictions:** This product is not intended for use by children. Only adults should handle and apply the product.

Instructions for Installation and Usage

1. Preparation:

- Shake the container gently before use.
- Ensure the area you are working in is clean and free from debris.

2. Application:

- For best results, spray the cleaner directly onto the gun parts or into the parts washer or solvent tank.
- Allow the product to sit for a few moments to penetrate and dissolve dirt and grime.
- Use a brush or cloth to scrub heavily soiled areas if necessary.

3. Rinsing:

- Rinse thoroughly with warm water after cleaning to remove any residue.
- Ensure all parts are free from cleaner before reassembling the firearm.

4. PostUse Care:

- Clean the spray nozzle after each use to prevent clogging.
- Store the product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local waste disposal regulations.
- Do not pour the product down the drain or dispose of it in household trash unless permitted by local guidelines.
- Contact your local waste management authority for information on hazardous waste disposal if needed.

Contact Information for Further Support

For any questions regarding the safety or use of this product, please consult the product label or reach out to the manufacturer through their official communication channels.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the 725 Gun Cleaner Degreaser. Thank you for your attention to safety.
