

# AR-15/M16 CARBINE RECOIL BUFFERS - SPIKES TACTICAL ST-T2 HEAVY BUFFER

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

## Helps Control Felt Recoil & Bolt Bounce

Machined aluminum recoil buffer comes in three weights, so you can select the buffer that gives the best combination of recoil control and reliability in your carbine with an M4-type adjustable stock. All have a mil-spec polyurethane bumper, durable hard-anodized finish, and the Spike's logo. ST-T1 is a standard-weight (3 oz.) buffer filled with low-density tungsten powder (LDTP) that eliminates the noise and shock caused by the hard reciprocating weights found in the original-style factory buffer. Aids in smoother cycling and helps minimize bolt bounce. ST-T2 is filled with high-density tungsten powder (HDTP) for extra weight (4.1 oz.) behind the carrier to reduce cycle rate. Help you stay on target in rapid-fire semi-auto operation and improves controllability in full-auto. ST-T3 gives the most aggressive reduction of felt recoil and bolt bounce with ultra-dense tungsten bar stock weights inside (5.4 oz.) for maximum recoil control in full-auto mode, suppressed weapons, or rifles that suffer from overgassing.

## Attributes

- Name: [SPIKES TACTICAL ST-T2 HEAVY BUFFER](#)
- Manufacturer: [SPIKES TACTICAL](#)
- Product no.: 100006812
- Mfr. No.: SLA00T2
- Weapon type: AR-15
- Delivery weight: 0.118kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 855319005266

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for AR15/M16 Carbine Recoil Buffers

## Introduction

Thank you for choosing the AR15/M16 Carbine Recoil Buffers by Spikes Tactical. This guide provides essential safety instructions to ensure the safe and effective use of your recoil buffer. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use with AR15 carbines. Ensure you follow all guidelines for safe handling and operation.
- **Enhanced Recalls:** Stay informed about any potential recalls. Check the EU Safety Gate platform for updates on product safety.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is intended for adult users only. Keep it out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Be aware of any updates regarding product safety through the Safety Gate system.

## Specific Safety Precautions for Use

- **Read All Instructions:** Before using the recoil buffer, read all instructions and guidelines provided in this manual.
- **Check Compatibility:** Ensure that the recoil buffer is compatible with your AR15 carbine, specifically those equipped with an M4type collapsible stock.
- **Inspect Before Use:** Regularly inspect the recoil buffer for any signs of damage or wear. Do not use if damaged.
- **Proper Weight Selection:** Choose the appropriate buffer weight (STT1, STT2, or STT3) based on your specific needs and firearm configuration.
- **Avoid Modifications:** Do not modify the recoil buffer. Alterations can affect performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer from the buffer tube by following the manufacturer's instructions.
- Select the appropriate recoil buffer weight for your application.
- Insert the new recoil buffer into the buffer tube, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's instructions.

### 2. Usage:

- Always wear appropriate eye and ear protection when firing your firearm.
- Familiarize yourself with the recoil characteristics of your firearm after installing the new buffer.
- Practice safe firearm handling at all times, following the basic rules of firearm safety.

## Disposal Instructions

- Dispose of the recoil buffer in accordance with local regulations.
- Do not incinerate or dispose of the product in a manner that could cause environmental harm.

- If the product is damaged or no longer usable, contact your local waste management authority for guidance on proper disposal.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety, please refer to the contact information provided by your retailer or manufacturer. Always ensure that you are using certified and authorized channels for support.

Thank you for prioritizing safety. Enjoy your shooting experience with the AR15/M16 Carbine Recoil Buffers from Spikes Tactical.
