

# FRONT SIGHT SCREWS for GLOCK® - WARREN TACTICAL SERIES

## FRONT SIGHT SCREWS FOR GLOCK®, 2-PACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Screws](#)

### Non-Corroding Stainless Steel Replacements For Aftermarket Sights

Stainless steel screws have the standard Glock® 3/16" hexagonal head but a shorter shank for correct fit on threaded aftermarket front sights from Warren Tactical, Novak, Trijicon, and others. Inexpensive, corrosion-resistant replacements for lost or dinged up screws that came with your sights. Fits standard Glock® front sight tool. Use with thread-locking agent to ensure a secure installation. Recommended for all Warren front sights for Glock®, including Tactical, Sevigny, Fiber Optic, and Tritium Night Sight models sold individually and in sets. Available in 2- and 5-Paks.

# Safety Instruction Guide for FRONT SIGHT SCREWS for GLOCK® WARREN TACTICAL SERIES

## Introduction

Thank you for choosing the FRONT SIGHT SCREWS for GLOCK® WARREN TACTICAL SERIES. This guide provides important safety information, installation instructions, and contact details for support. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the screws for any damage before use.
- Keep all components out of reach of children to prevent accidental ingestion or injury.
- If you notice any defects or irregularities, do not use the product and contact customer support.
- Use the screws only with compatible front sights from manufacturers such as Warren Tactical, Novak, and Trijicon.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Use a threadlocking agent to secure the screws and prevent loosening during use.
- Do not overtighten the screws, as this may damage the front sight or the screws themselves.
- Always use the correct front sight tool designed for Glock® to avoid stripping the screw head.
- If you are not familiar with the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the front sight tool, threadlocking agent, and the FRONT SIGHT SCREWS.
- Ensure that your work area is clean and free from distractions.

### 2. Installation Steps

- Remove the existing front sight using the appropriate front sight tool.
- Clean the threaded area on the slide to remove any debris or old adhesive.
- Apply a small amount of threadlocking agent to the threads of the new screw.
- Align the screw with the threaded hole and insert it using the front sight tool.
- Tighten the screw gently until secure, but do not overtighten.

### 3. PostInstallation Check

- After installation, check that the front sight is securely in place and does not move.
- Store any unused screws in a safe location, away from children and pets.

## Disposal Instructions

- Dispose of any damaged or unused screws in accordance with local regulations.
- Do not dispose of screws in household waste. Instead, consider recycling options if available.

## **Contact Information for Further Support**

For any questions, concerns, or to report unsafe products, please reach out to the appropriate support channels. Ensure that you have the product information ready when contacting support.

Thank you for your attention to these safety instructions. By following these guidelines, you can help ensure a safe and effective experience with your FRONT SIGHT SCREWS for GLOCK® WARREN TACTICAL SERIES.
