SLING MOUNTNSLOT IMPACT WEAPONS COMPONENTS QD ROTATION LIMITED SLING MOUNTNSLOT Safety Instruction Guide

Introduction

Thank you for choosing the SLING MOUNTNSLOT from IMPACT WEAPONS COMPONENTS. This product is designed for the AR15 platform and offers a quick detach sling mounting solution. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Regularly inspect the sling mount for wear, damage, or any signs of failure before each use.
- Always follow local laws and regulations regarding the use of firearm accessories.
- Keep the product out of reach of children and unauthorized individuals.
- In the event of an accident or unsafe product experience, report it to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the sling is properly attached before handling your firearm.
- Avoid using the sling mount in a manner that could cause the sling to become tangled or twisted.
- Do not exceed the weight limit of the sling mount as specified by the manufacturer.
- Use only compatible QD sling swivels, either heavy duty or standard, as recommended.
- Check the rotation limitation feature regularly to ensure it is functioning correctly.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe to handle before installation.
- Locate the designated mounting area on your MOE or ACR handguard.
- Use the included wrench to securely attach the sling mount in the designated slot.
- Confirm that the mount is tightly secured and does not move when pulled.

2. Usage:

- Attach your QD sling swivel to the sling mount by pushing the swivel into the mount until it clicks into place.
- Adjust the sling to your preferred length and ensure it is comfortably positioned.
- Regularly check the attachment points to ensure they remain secure during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged and no longer usable, it should be recycled or disposed of in a manner that does not pose a risk to the environment.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information

provided with your product packaging.

This safety instruction guide has been created in compliance with the EU General Product Safety Regulation (GPSR) to ensure the safe use of the SLING MOUNTNSLOT. Always prioritize safety and responsible usage when handling firearm accessories.
