# Safety Instruction Guide for 2 to 1 Point Triglide Sling Attachment

## Introduction

Thank you for choosing the 2 to 1 Point Triglide Sling Attachment from Impact Weapons Components. This product is designed to enhance the versatility of your sling system, allowing quick conversions between 2point and singlepoint configurations. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the sling attachment is compatible with your sling before installation.
- Regularly inspect the sling attachment for any signs of wear or damage.
- Do not exceed the load limit of your sling and attachment.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or damage, discontinue use immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- Always ensure that the attachment is securely fastened before use.
- Avoid using the sling attachment in extreme weather conditions that may affect its performance.
- Do not modify the sling attachment or use it for purposes other than intended.
- Be cautious of surrounding obstacles when maneuvering with the sling attachment.
- If using with a firearm, ensure that the firearm is unloaded during installation and adjustments.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the rear strap of your 1" wide sling.
- Thread the aluminum adapter onto the rear strap securely.
- Ensure the adapter is tightly fastened to prevent accidental detachment.
- Test the attachment by pulling on it gently to confirm it is secure.

### 2. Usage:

- To switch from a 2point to a singlepoint sling, simply detach the appropriate connection and reattach it to the universal socket.
- The universal socket accepts any pushbutton QD sling swivel, HKstyle clip, and MASH connectors for ease of use.
- Adjust the sling to your preferred length for comfort and maneuverability.

### 3. Maintenance:

- Regularly check the attachment points for wear and tear.
- Clean the aluminum adapter with a damp cloth to remove dirt and debris.
- Store the sling attachment in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle any metal components if possible.

- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please reach out to the manufacturer directly. Ensure you have the product details ready for reference.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
