# Safety Instruction Guide for 2 to 1 Point Triglide Sling Attachment

## Introduction

Thank you for choosing the 2 to 1 Point Triglide Sling Attachment by Impact Weapons Components. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the sling attachment for any signs of wear or damage before each use.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the sling attachment with compatible slings that are 1 inch wide.
- Verify that the sling attachment is securely fastened before use.
- Do not exceed the recommended load limits of the sling attachment.
- Avoid using the sling attachment in adverse weather conditions that may affect its performance.
- Do not modify the sling attachment in any way as this may compromise its safety.
- Use caution when transitioning from a 2point to a singlepoint sling to prevent accidental release.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the rear strap of your 1inch wide sling.
- Thread the aluminum adapter onto the rear strap, ensuring it is securely tightened.
- Confirm that the adapter is properly aligned and free of obstructions.

### 2. Usage:

- To convert from a 2point sling to a singlepoint sling, simply detach the sling from the rear strap.
- Attach your preferred pushbutton QD sling swivel, HKstyle clip, or MASH connector into the universal socket.
- Adjust the sling to your desired length for optimal maneuverability.
- Always check the attachment before each use to ensure it is secure.

## Disposal Instructions

- Dispose of the sling attachment in accordance with local regulations for aluminum products.
- Do not dispose of the product in general waste. Consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the 2 to 1 Point Triglide Sling Attachment, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your 2 to 1 Point Triglode Sling Attachment. Thank you for prioritizing safety and compliance with EU regulations.
