Safety Instruction Guide for MODIFIED 308 AR BUFFER SPRING

Introduction

Thank you for purchasing the MODIFIED 308 AR BUFFER SPRING from HEAVY BUFFERS. This product is designed to enhance the performance of your .308 AR platform by reducing felt recoil and ensuring maximum reliability. This guide provides essential safety instructions and information to help you use this product safely and effectively.

General Safety Guidelines

- Ensure that the product is compatible with your firearm model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before use.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the MODIFIED 308 AR BUFFER SPRING in firearms designed for .308 ARs.
- Ensure that your firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not modify the buffer spring or use it in a manner not specified by the manufacturer.
- Be aware of the potential for increased recoil and adjust your stance accordingly when firing.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is completely unloaded and pointed in a safe direction.
2. **Disassembly:** Remove the existing buffer spring from your firearm according to the manufacturer's instructions.
3. **Installation:**
 - Take the MODIFIED 308 AR BUFFER SPRING and align it with the buffer tube.
 - Insert the new buffer spring into the buffer tube, ensuring it is seated properly.
4. **Reassembly:** Reassemble your firearm by following the manufacturer's guidelines.
5. **Function Check:** Before using the firearm, perform a function check to ensure proper installation.

Usage

- After installation, test fire your firearm in a safe and controlled environment.
- Monitor the performance of the buffer spring during use and report any issues immediately.
- Always clean and maintain your firearm regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the MODIFIED 308 AR BUFFER SPRING in accordance with local regulations regarding firearm accessories.
- Do not discard in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MODIFIED 308 AR BUFFER SPRING, please consult the manufacturer or your local dealer for assistance.

Thank you for prioritizing safety while using the MODIFIED 308 AR BUFFER SPRING. Enjoy your enhanced shooting experience!
