# COMA Sniper Back Panel Safety Instructions

## Introduction

Thank you for choosing the COMA Sniper Back Panel by TYR Tactical. This product is designed to enhance your load carriage capabilities while ensuring comfort and stability. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the back panel for any signs of wear, damage, or malfunction.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for use and maintenance.
- In case of any safety concerns or product issues, report them to the relevant authorities.

## Specific Safety Precautions for Use

- **Load Capacity:** Do not exceed the recommended load capacity to avoid compromising the product's integrity and your safety.
- **Height Adjustment:** Ensure that the height adjustment is secure before use to prevent any accidental slips or falls.
- **Hydration Pouches:** Make sure hydration pouches are properly secured to prevent spills that may create hazards.
- **PALS/MOLLE Locations:** Only use compatible accessories on the PALS/MOLLE locations to ensure proper fit and safety.
- **Weight Distribution:** Distribute weight evenly across the back panel to maintain balance and prevent strain or injury.

## Instructions for Installation and Usage

### 1. Unpacking the Product:

- Carefully remove the back panel from its packaging.
- Inspect the panel for any visible damage or missing components.

### 2. Adjusting the Height:

- Locate the height adjustment straps on the back panel.
- Adjust the straps to the desired height, ensuring they are securely fastened.

### 3. Attaching Hydration and GP Pouches:

- Identify the PALS/MOLLE locations on the back panel.
- Attach hydration pouches and GP pouches by threading the straps through the PALS/MOLLE webbing.
- Ensure that all attachments are secure before use.

### 4. Wearing the Back Panel:

- Place the back panel on your back, ensuring it sits comfortably.
- Adjust the straps for a snug fit without restricting movement.
- Check that the panel is stable and does not shift during movement.

### 5. Maintenance:

- Regularly clean the back panel according to the manufacturer's instructions.
- Store the product in a dry place when not in use to prevent mold and damage.

## **Disposal Instructions**

- Dispose of the back panel in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains materials that could be harmful to the environment.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding the COMA Sniper Back Panel, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details available for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your experience with the COMA Sniper Back Panel.
