

# V-TAC PADDED SLINGS - VIKING TACTICS PADDED V-TAC SLING UPGRADE, BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Viking Tactics Padded Sling was designed with the same great features as the original Viking Tactics Sling, but with added comfort for carrying heavier firearms. Designed with the shooter and soldier in mind, the Viking Tactics Padded Sling is made with a shoulder strap with closed cell foam. The forward adjustable portion of the sling remains the same as the original sling, giving you quick and easy adjustments from any position.

# VTAC Padded Slings Safety Instruction Guide

## Introduction

Thank you for choosing the VTAC Padded Sling. This product is designed with comfort and functionality in mind, allowing for safe and efficient carrying of heavier firearms. This guide provides essential safety instructions to ensure proper use and maintenance of the sling in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure the sling is securely attached to your firearm before use.
- Regularly inspect the sling for signs of wear or damage. Do not use if damaged.
- Keep the sling out of reach of children to prevent accidental misuse.
- Use the sling only for its intended purpose; do not use it for any other applications.
- Be aware of your surroundings and ensure that the sling does not pose a hazard to yourself or others.

## Specific Safety Precautions for Use

- Ensure that the sling is adjusted to fit comfortably and securely on your shoulder.
- Avoid carrying the firearm in a manner that could lead to accidental discharge.
- When adjusting the sling, do so slowly and carefully to prevent pinching or injury.
- If using the sling in adverse weather conditions, ensure that the materials remain dry to prevent slipping.
- Do not overload the sling beyond its intended capacity; follow manufacturer specifications.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the nylon ends of the sling to the designated attachment points on your firearm.
- Ensure that the plastic triglides and metal slider are securely fastened.
- Adjust the length of the sling to your desired fit using the forward adjustable portion.

### 2. Usage:

- Place the padded shoulder strap over your shoulder.
- Ensure the sling is positioned comfortably against your body.
- Adjust the sling as necessary to allow for quick access to your firearm.
- When not in use, store the sling in a safe location away from children and pets.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable components.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with the product packaging. It is important to reach out for assistance regarding any safety concerns or product issues.

By following these guidelines, you can ensure safe and effective use of the VTAC Padded Sling. Thank you for prioritizing safety!
