

# AR-15 MOE+ GRIP - MAGPUL MOE+ GRIP POLYMER FOR AR15/M4 FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

## Rubber-Coated Surface Provides Maximum Control In Adverse Environments

Same contours and hard-molded polymer construction as the original MOE Grip. Durable, economical, easy-to-install replacement for factory pistol grip that gives the shooter a solid, secure grasp. Rigid, fully supported one-piece construction from the same reinforced, high-impact polymer as the MIAD grip, with crackle texture on the sides and deep horizontal grooves on frontstrap and backstrap. Curved beavertail similar to the MIAD B2 insert fills the grip-to-receiver junction to help you maintain a comfortable hold and protect the web of your hand during sustained firing. The MOE+ Grip has the addition of an anti-slip overmolded rubber coating for enhanced weapon control in wet conditions or when hand is sweaty. A polymer cap storage secures small items inside the internal compartment, and the MOE+ accepts Magpul MIAD grip cores (sold separately).

## Attributes

- Name: [MAGPUL MOE+ GRIP POLYMER FOR AR15/M4 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100007570
- Mfr. No.: MAG416-FDE
- Colour: Dark Earth
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.122kg
- Shipping height: 38mm
- Shipping width: 76mm
- Shipping length: 165mm
- UPC: 873750000725

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for AR15 MOE+ Grip

## Introduction

Thank you for choosing the AR15 MOE+ Grip by MAGPUL. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new grip. Please read this document carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Ensure the grip is compatible with your firearm model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the grip for any damage or defects before use. Do not use if damaged.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Be aware of your surroundings when using your firearm to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing your firearm.
- Ensure the firearm is unloaded before installing or adjusting the grip.
- Avoid using the firearm in wet conditions unless the grip's antislip feature is necessary for control.
- Do not modify the grip in any way, as this may compromise safety and performance.
- If you experience any discomfort or difficulty in handling the firearm, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure your firearm is unloaded and safe to handle.
2. **Remove the Existing Grip:** Use a screwdriver to remove the screws securing the factory pistol grip. Keep the screws for later use.
3. **Install the MOE+ Grip:**
  - Align the MOE+ Grip with the lower receiver of your firearm.
  - Insert the screws into the designated holes and tighten securely, ensuring the grip is firmly attached.
4. **Check for Stability:** After installation, check the grip for any movement or looseness. If the grip is not secure, retighten the screws.

### Usage Tips

- Ensure your hands are dry when handling the firearm for optimal grip control.
- Familiarize yourself with the grip's features, including the antislip overmolded rubber coating and the internal storage compartment.
- Practice proper shooting stance and grip techniques to maximize control and accuracy.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the grip becomes damaged beyond repair, dispose of it responsibly by following local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging or visit the official MAGPUL website.

By following these safety instructions and guidelines, you can ensure a safer and more enjoyable experience with your AR15 MOE+ Grip. Thank you for your attention to safety!
