

1911 HAMMER - NIGHTHAWK CUSTOM 1911 HAMMER, SS

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

Machine & Hardened To Hold Dimensions & Resist Wear

Match-grade hammer is machined from solid tool steel bar stock, then hardened to hold precise dimensions and stand up to many thousands of rounds without wear. Hammer was designed exclusively for Nighthawk by noted 1911 'smith Bob Marvel, with precision-cut hooks and pin hole to ensure a correct fit. A large, oval cutout in the spur keep weight to a minimum, and crisp serrations prevent slippage when cocking or uncocking. Engagement surface is ready for final grinding and polishing to ensure a clean, reliable letoff. Gunsmith fitting required for proper function and safety.

Attributes

- Name: [NIGHTHAWK CUSTOM 1911 HAMMER, SS](#)
- Manufacturer: [NIGHTHAWK CUSTOM](#)
- Product no.: 100007587

1911 Hammer Nighthawk Custom Safety Instructions

Introduction

Thank you for purchasing the 1911 Hammer Nighthawk Custom. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper handling, installation, and maintenance of the hammer.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when handling the hammer and firearm.
- Keep the hammer and all tools out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye protection, when working with firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- This hammer is designed for use with 1911 models: Government, Commander, and Officers.
- Ensure that the hammer is installed by a qualified gunsmith to guarantee proper function and safety.
- Verify that the hammer is compatible with your specific firearm model before installation.
- Do not attempt to modify or alter the hammer, as this may compromise its safety and effectiveness.
- Be cautious when cocking or uncocking the hammer to prevent accidental discharge.
- Ensure the engagement surface is properly ground and polished for a clean, reliable letoff.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and equipment for installation.

2. Installation:

- Remove the existing hammer from the firearm according to the manufacturer's instructions.
- Inspect the new hammer for any visible defects or damage before installation.
- Install the new hammer by following these steps:
 - Align the hammer with the hammer pin hole.
 - Insert the hammer pin securely.
 - Ensure the hooks are properly seated in the sear.
- Check for proper movement and function of the hammer before reassembling the firearm.

3. Usage:

- Always ensure that the firearm is in a safe condition before handling.
- Practice proper firearm handling techniques at all times.
- Regularly inspect the hammer for wear or damage, especially after extensive use.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Follow local guidelines for the disposal of firearms and firearm components.
- Do not discard the hammer or any related components in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the 1911 Hammer Nighthawk Custom, please contact the manufacturer or a qualified gunsmith. Ensure that you have the product details and any relevant information available for a swift resolution.

By adhering to these safety instructions, you can ensure a safe and effective experience with your 1911 Hammer Nighthawk Custom. Thank you for prioritizing safety and compliance with EU regulations.
