THREAD PROTECTORS for GLOCK® LONE WOLF DIST. 17/19 THREAD PROTECTOR, 1/2"28 Safety Instruction Guide

Introduction

Thank you for choosing the THREAD PROTECTORS for GLOCK® LONE WOLF DIST. 17/19. This product is designed to protect your threaded barrel when an accessory is not installed. It is important to follow the safety guidelines and instructions provided in this guide to ensure safe and effective use.

General Safety Guidelines

- Ensure that the THREAD PROTECTOR is compatible with your firearm. It fits Lone Wolf threaded barrels and others with the specified thread pattern only. It will not fit factory Glock® barrels.
- Always handle firearms with care and in a safe manner. Follow all standard firearm safety practices.
- Keep the THREAD PROTECTOR out of reach of children and unauthorized users.
- Regularly inspect the THREAD PROTECTOR for any signs of wear or damage. Do not use if damaged.
- In case of any accidents or unsafe product incidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the THREAD PROTECTOR as intended. Do not modify or alter the product in any way.
- Ensure that the threaded barrel is clean and free of debris before installing the THREAD PROTECTOR.
- Do not overtighten the THREAD PROTECTOR when installing, as this may cause damage to the threads or the product itself.
- If you experience any difficulty during installation or removal, seek assistance from a qualified professional.
- Store the THREAD PROTECTOR in a safe and secure location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, if any, for installation.

2. Installation:

- Clean the threaded area of the barrel to remove any dirt or debris.
- Align the THREAD PROTECTOR with the threads on the barrel.
- Gently screw the THREAD PROTECTOR onto the barrel in a clockwise direction.
- Handtighten the THREAD PROTECTOR until snug, but do not overtighten.

3. Usage:

- The THREAD PROTECTOR is designed to protect the threads when no accessory is installed.
- Regularly check the tightness of the THREAD PROTECTOR during use and retighten if necessary.

4. Removal:

- To remove the THREAD PROTECTOR, turn it counterclockwise until it is free from the barrel.
- Inspect the THREAD PROTECTOR for any signs of damage before storing.

Disposal Instructions

- Dispose of the THREAD PROTECTOR in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling if possible, or dispose of it in a safe manner to prevent environmental harm.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the THREAD PROTECTORS for GLOCK® LONE WOLF DIST. 17/19, please reach out to the appropriate support channels or consult the product manufacturer.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on the responsible use and maintenance of your THREAD PROTECTORS.
