# **Safety Instruction Guide for THREAD PROTECTORS for GLOCK® LONE WOLF DIST. 22 THREAD PROTECTOR, 9/16"24**

## **Introduction**

Thank you for purchasing the THREAD PROTECTORS for GLOCK® LONE WOLF DIST. 22 THREAD PROTECTOR, 9/16"24. This product is designed to protect your threaded barrel when an accessory is not installed. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Always ensure that the firearm is unloaded before installing or removing the thread protector.
- Store the thread protector in a safe place, away from children and unauthorized users.
- Regularly inspect the thread protector for any signs of wear or damage before each use.
- Ensure that the thread protector is compatible with your firearm. It fits Lone Wolf threaded barrels and others with the specified thread pattern only. It will not fit factory Glock® barrels.
- If you notice any irregularities during use, cease operation immediately and consult a qualified professional.

## **Specific Safety Precautions for Use**

- Do not exceed the recommended torque specifications when installing the thread protector.
- Avoid using the thread protector in conditions that may lead to excessive heat or pressure.
- Ensure that the thread protector is securely fastened before using the firearm.
- Do not modify the thread protector in any way, as this may compromise its effectiveness and safety.
- Keep the thread protector clean and free from debris to ensure proper fit and function.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is unloaded.
- Gather necessary tools, such as a torque wrench, if required.

### **2. Installation:**

- Align the thread protector with the threaded barrel.
- Handtighten the thread protector onto the barrel until snug.
- If applicable, use a torque wrench to tighten according to the manufacturer's specifications, ensuring not to overtighten.

### **3. Usage:**

- Always verify that the thread protector is securely attached before using the firearm.
- If you are attaching an accessory, remove the thread protector carefully and store it safely.

### **4. Removal:**

- Ensure the firearm is unloaded.
- Handunscrew the thread protector counterclockwise until it is completely removed from the barrel.

## **Disposal Instructions**

- Dispose of the thread protector in accordance with local regulations.
- If the thread protector is damaged or no longer usable, consider recycling if possible. Do not dispose of it in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the THREAD PROTECTORS for GLOCK® LONE WOLF DIST. 22 THREAD PROTECTOR, 9/16"24, please refer to the manufacturer's website or contact their support team directly.

By following these guidelines, you can ensure safe use of the thread protector and maintain the integrity of your firearm. Always prioritize safety and consult professionals when in doubt.
