

# AR-15/M16 USGI L-PLATE - MAGPUL L-PLATE 5.56X45 FLOOR PLATE FOR USGI 30RD AR15 MAG BLK 3/PK

[Magazines](#) > [Rifle Magazines](#) > [Magazine Parts](#) > [Magazine Floor Plates & Extensions](#)

## Protects USGI Mags From Impact On Hard Surfaces & Aids Extraction From Mag Pouches

The L-Plate is a replacement floor plate for current-issue USGI 30-round magazines that gives your AR mag a soft, rubber bumper pad that cushions it from damage when ejected on the hard ground. Low-profile – adds only ½" to mag when installed – yet also provides a secure grasping point for pulling mags quickly from mag pouches. Stainless steel core is overmolded with tough, durable Santoprene rubber, so the L-Plate handles all the tactical and competition abuse you can dish out. Holes through the L-Plate let you add paracord pull loops. Perfect enhancement for Brownells 20- and 30-round AR-15/M16 magazines.

# Safety Instruction Guide for AR15/M16 USGI LPlate MAGPUL LPlate 5.56x45 Floor Plate

## Introduction

Thank you for choosing the AR15/M16 USGI LPlate MAGPUL LPlate 5.56x45 Floor Plate. This product is designed to enhance the functionality and durability of your AR15 magazines. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the LPlate is compatible with your specific USGI 30round magazines. This product is not designed for use with Magpul PMAG or EMAG.
- Inspect the LPlate for any signs of damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Store the LPlate in a cool, dry place away from direct sunlight and extreme temperatures.

## Specific Safety Precautions for Use

- When ejecting magazines, do so in a controlled manner to prevent accidents or injuries.
- Be cautious of your surroundings when using the magazines equipped with the LPlate to avoid dropping them on hard surfaces.
- Avoid using excessive force when installing or removing the LPlate from your magazine to prevent damage to both the magazine and the LPlate.
- Do not modify the LPlate or the magazine in any way that could compromise safety or functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your magazine is empty before installation.
- Remove the existing floor plate from the magazine by pressing down on the latch and sliding it off.
- Align the LPlate with the magazine base and press it firmly into place until you hear a click, indicating it is locked securely.
- Verify that the LPlate is properly attached by gently tugging on it.

### 2. Usage:

- Load your magazine according to the manufacturer's guidelines.
- When ready to use, insert the magazine into your firearm as per the firearm's operational instructions.
- To remove the magazine, press the magazine release button and pull the magazine out smoothly.

### 3. Maintenance:

- Regularly clean the LPlate with a damp cloth to remove dirt and debris.
- Inspect the LPlate regularly for signs of wear and replace if necessary.

## Disposal Instructions

- Dispose of the LPlate in accordance with local regulations for rubber and plastic waste.
- Do not incinerate the product as it may release harmful substances.

- If the LPlate is damaged beyond use, consider recycling it if facilities are available in your area.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of this product, please reach out to the manufacturer or your point of purchase for assistance. Ensure that you have the product details ready for a more effective response.

By following these safety guidelines and instructions, you can ensure a safer experience with your AR15/M16 USGI LPlate MAGPUL LPlate 5.56x45 Floor Plate. Thank you for your attention to safety.
